Volume 17

TIVY HIGH SCHOOL

KERRVILLE, TEXAS

We present to you proudly a keyhole glimpse of Tivy.

In this book we have strived to capture all the fun and heartaches, all the work and friendships of Tivy. This year has been a memorable one for all of us; we wish this story in pictures to be so, too. Each picture is a treasure, full of memories of which you were a part.

The Antler Staff chose a simple keyhole to frame these unforgettable experiences and events in our hearts and in this book. Tivy has unlocked the doors of life for us and ushered us into the bright future. It has been the key to the vast riches-truth, honor, loyalty-which await us outside of this, our school.

Tivy has taught us the "3 R's" and the value of lasting friendships; the true meaning of Tivy spirit! Each moment we have recorded is dear to us; it's something that cannot be put into words. Our goal is to preserve the warm relationship in the hearts of each and every member of this, our school.

As you turn these pages we hope that it will give you a feeling of deep elation, helping to remember the wonderful past as if it were yesterday.

Now that it has gone, come with us to relive the past. Through this keyhole you'll find the finest people in the world---Tivy students!

THE 1954 ANTLER, VOLUME 17, is divided into six sections and compares closely with the parts of the key. The Bow or Faculty begins the process of revelation through the Stem or Classes, the most essential link. The Collar or Favorites are decorative, an added touch. Organizations and Sports are two parts of the Bit that coordinate knowledge with practice and open the doors to life, sometimes resulting in the Pin or Honor.

DEDICATION.....

Behind the seventy-five girls marching in blue and gold, in the shadow of the spotlight shining on the smart half-time performances, behind a whistle that calls girls to and from play, behind Tivy Spirit, stands a teacher--hard-working, proud, a friend to all the girls. She has devoted time unselfishly for others, never thinking of herself.

Many jobs have been thankless. She has stood in the cold watching the Antlerettes drill. She has stayed up late making uniforms for half-time performances. She has come early and stayed late for basketball games. She has supported the teams and the school in every way.

Through this dedication we wish to show the appreciation felt by the entire student body for all MISS GEORGIA GRIFFITH has done for Tivy and Tivy Spirit!

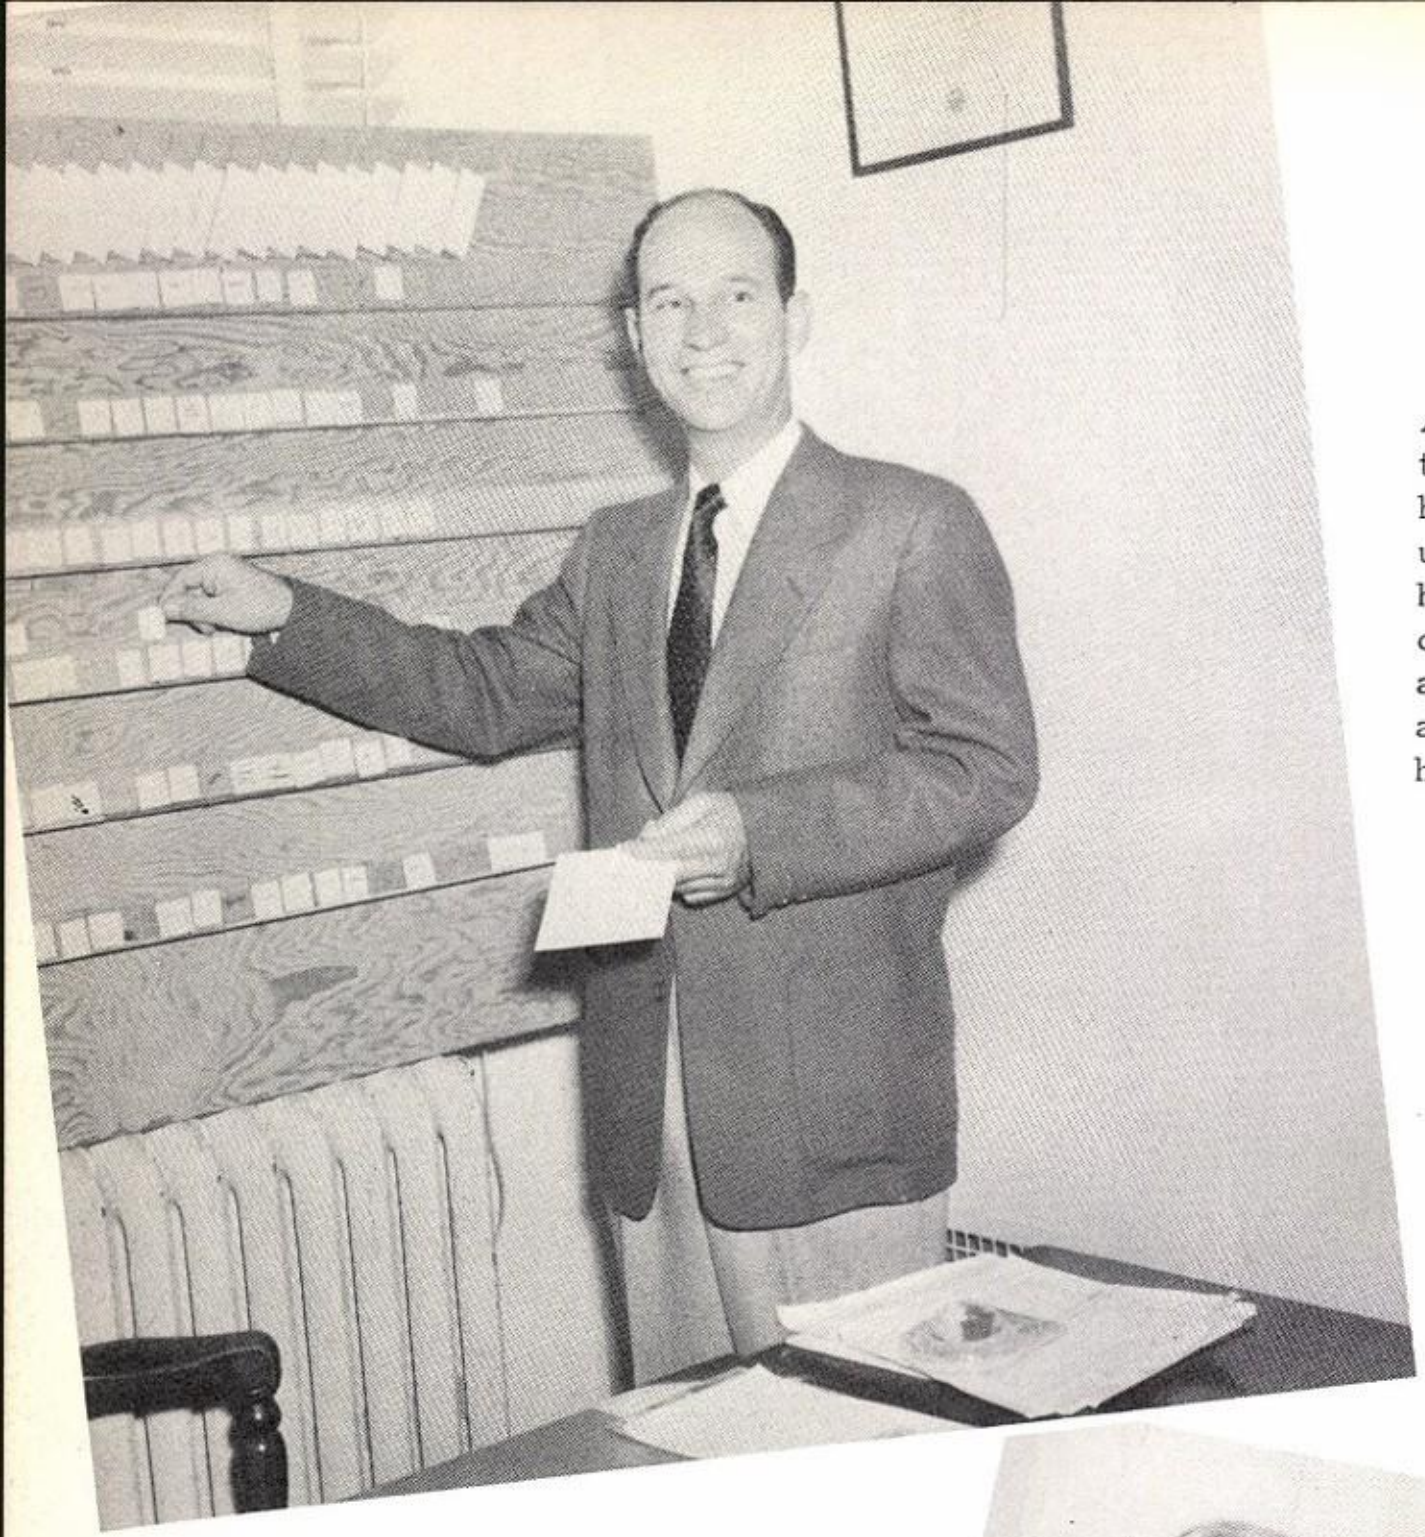
SCHOOL BOARD

The School Board has worked untiringly toward the betterment of Tivy and all Kerrville schools. Here they are shown at a monthly meeting at which they decide administrative policies, legal actions about school business, and recommendations for money to be used for school improvements. Seated from left to right are Mr. R. C. McBryde, Mr. Jimmy Holton, president; Mr. Cleve Wheelus, secretary; and Mrs. Clyde Parker. Standing are Mr. E. L. Wildman, superintendent; Mr. Rudolph Stehling, Dr. Choice Matthews, vice-president, and Mr. J. B. Smith, treasurer.

Mr. E. L. Wildman, superintendent of Kerrville Public Schools, studies plans for construction of one of the numerous school buildings. Through the windows in the background can be seen the new elementary school building being erected. During his six years of leadership, the schools have shown steady improvement. Mr. Wildman's goal is to improve Tivy both spiritually and constructively. His close student and teacher relationship has made a place in the hearts of all the people with whom he comes in contact. The Antler Staff feels that Tivy can only succeed with a leader such as Mr. Wildman.



Among Mr. John Sandidge's contributions to Tivy High School is his invention of a program board used in the planning of classes. He has much responsibility as principal helping in Tivy's problems and activities. Through his guidance and civic contributions, Tivy has always come out on top.

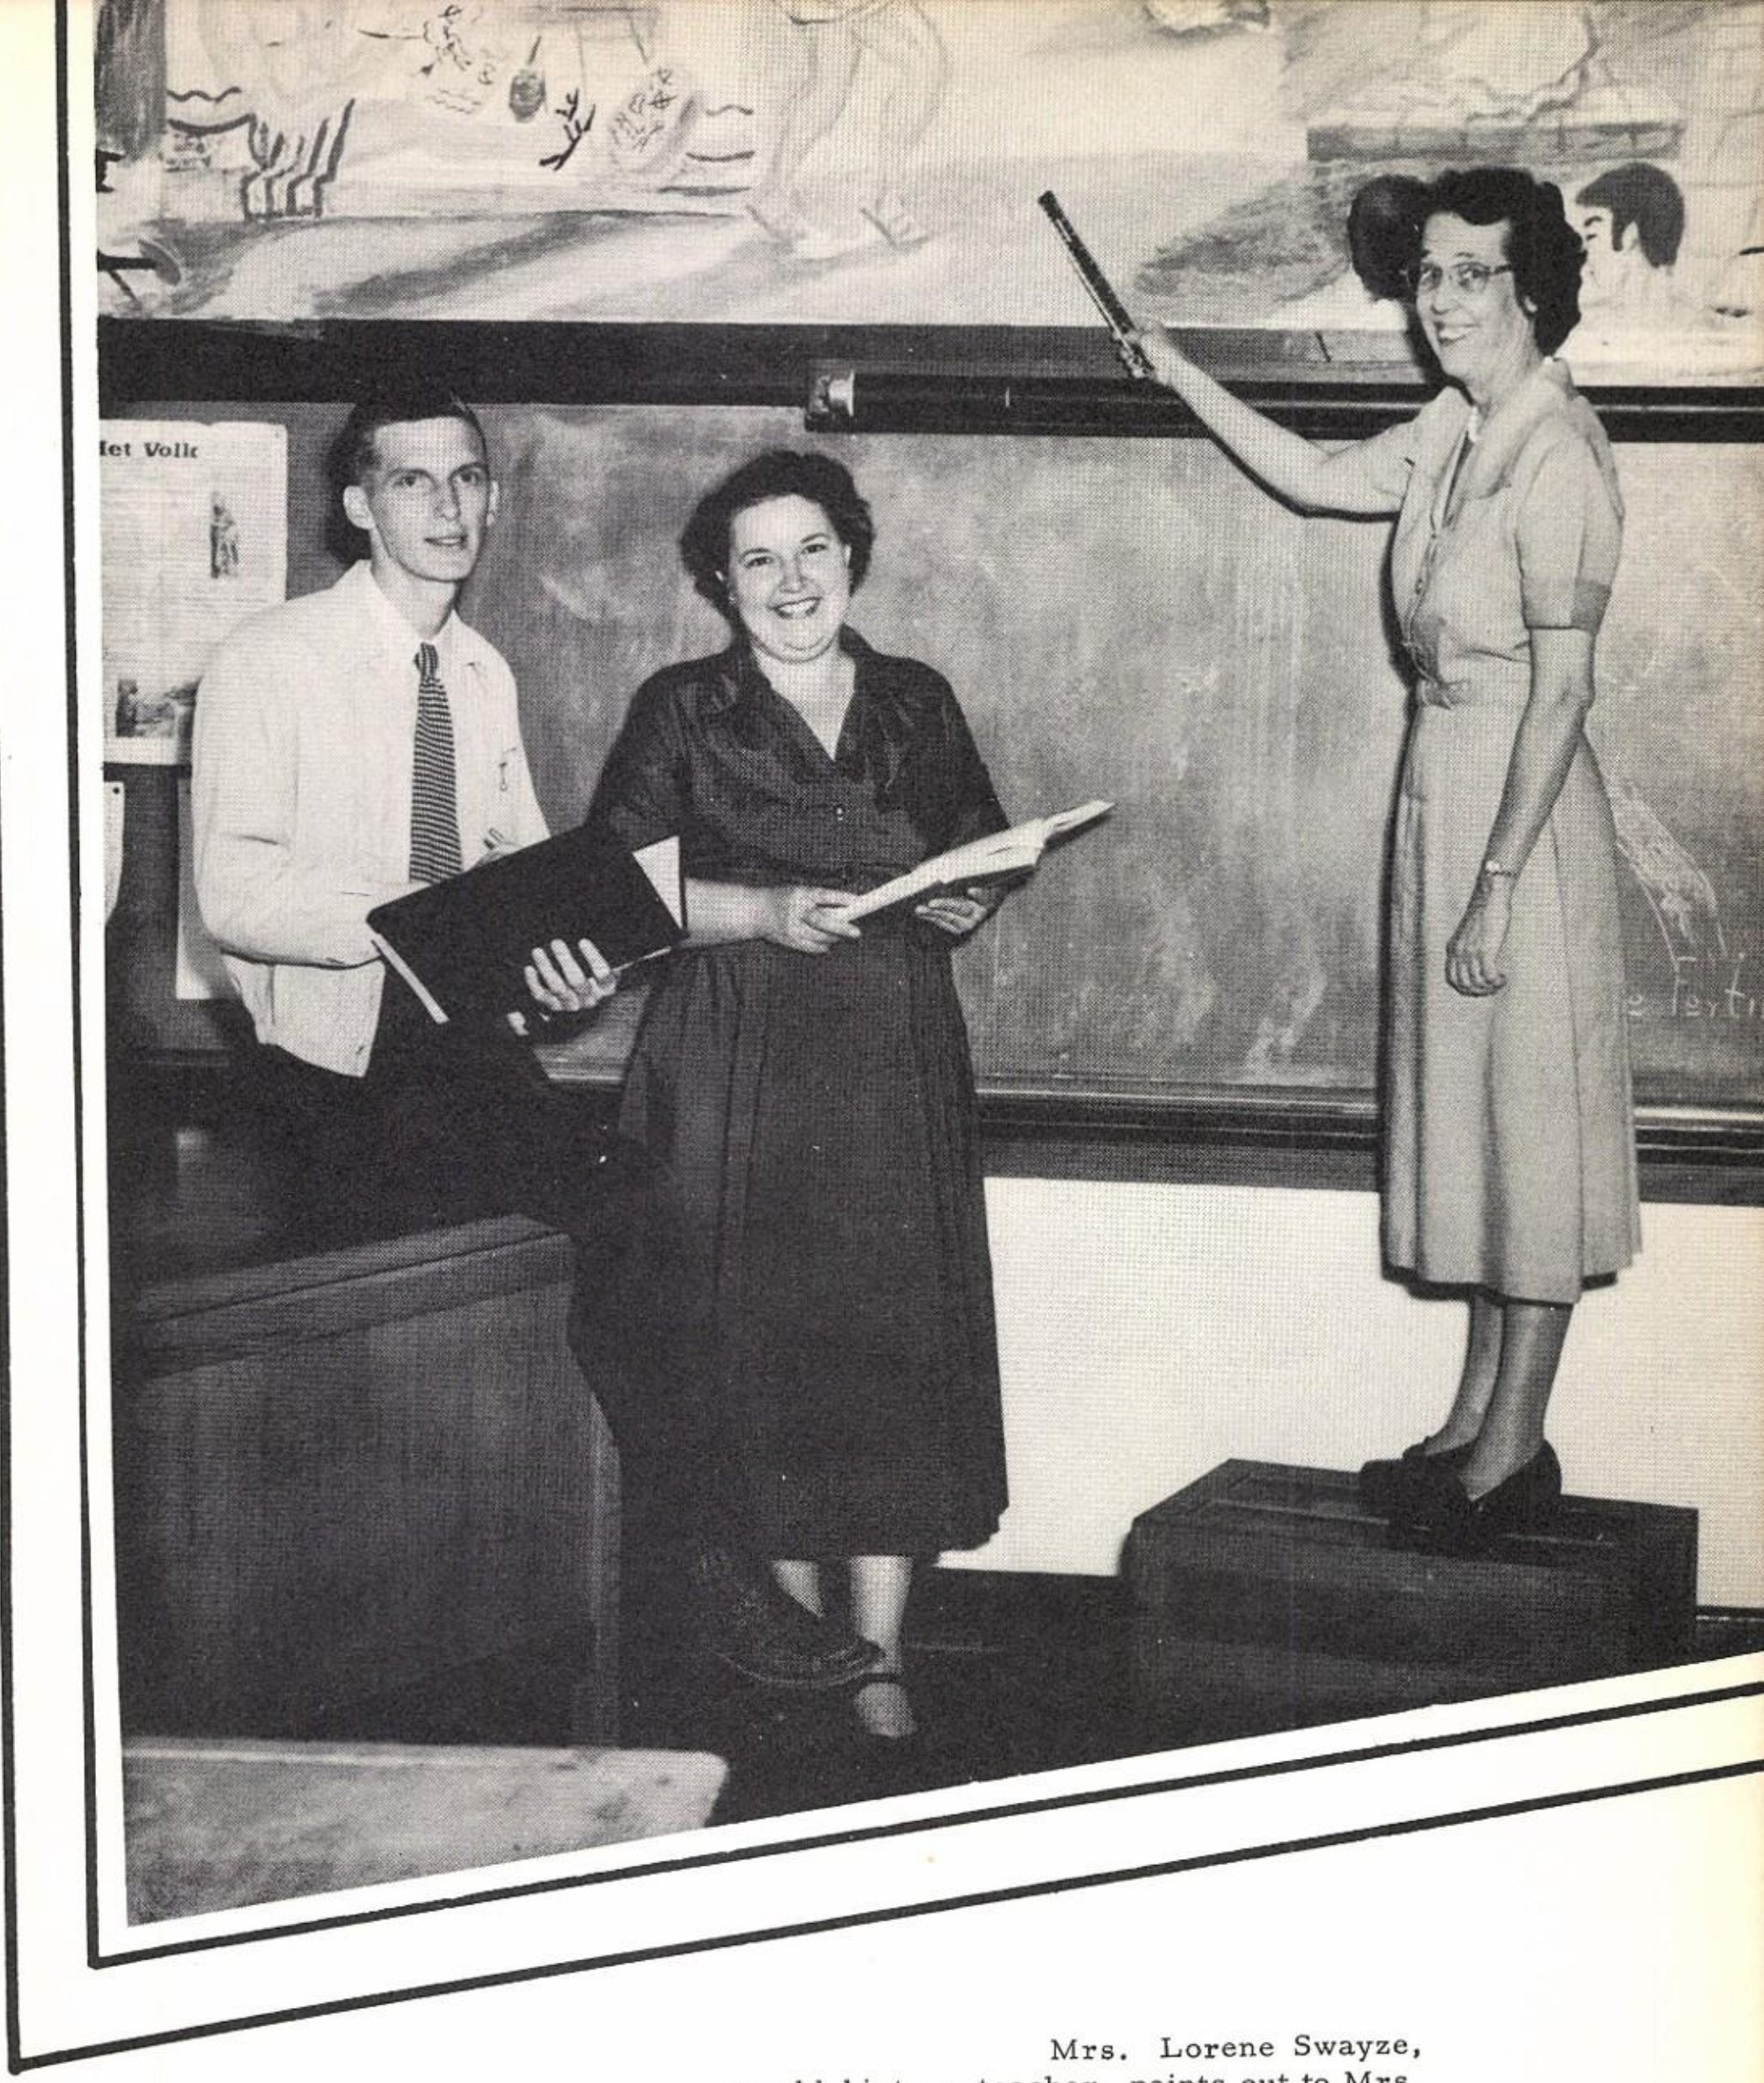
As a part of Mrs. Florence Weiss' job as the guidance counselor of Tivy, she helps students choose the colleges or universities they might want to attend after graduation. Here she shows two high school girls some literature which has been distributed by institutions of higher learning.

The teachers' insurance policy was the topic of discussion as Mrs. Mary Hirth, secretary, Mrs. Margaret Franke, school nurse, Miss Ruby Alderman, speech correctionist, Mrs. Florence Mills, librarian, and Mrs. Nell Swayze, dietitian, enjoy a cup of coffee. These teachers are an essential part of our school and help to keep it running smoothly.

PRODUCERS OF SCHOLARS

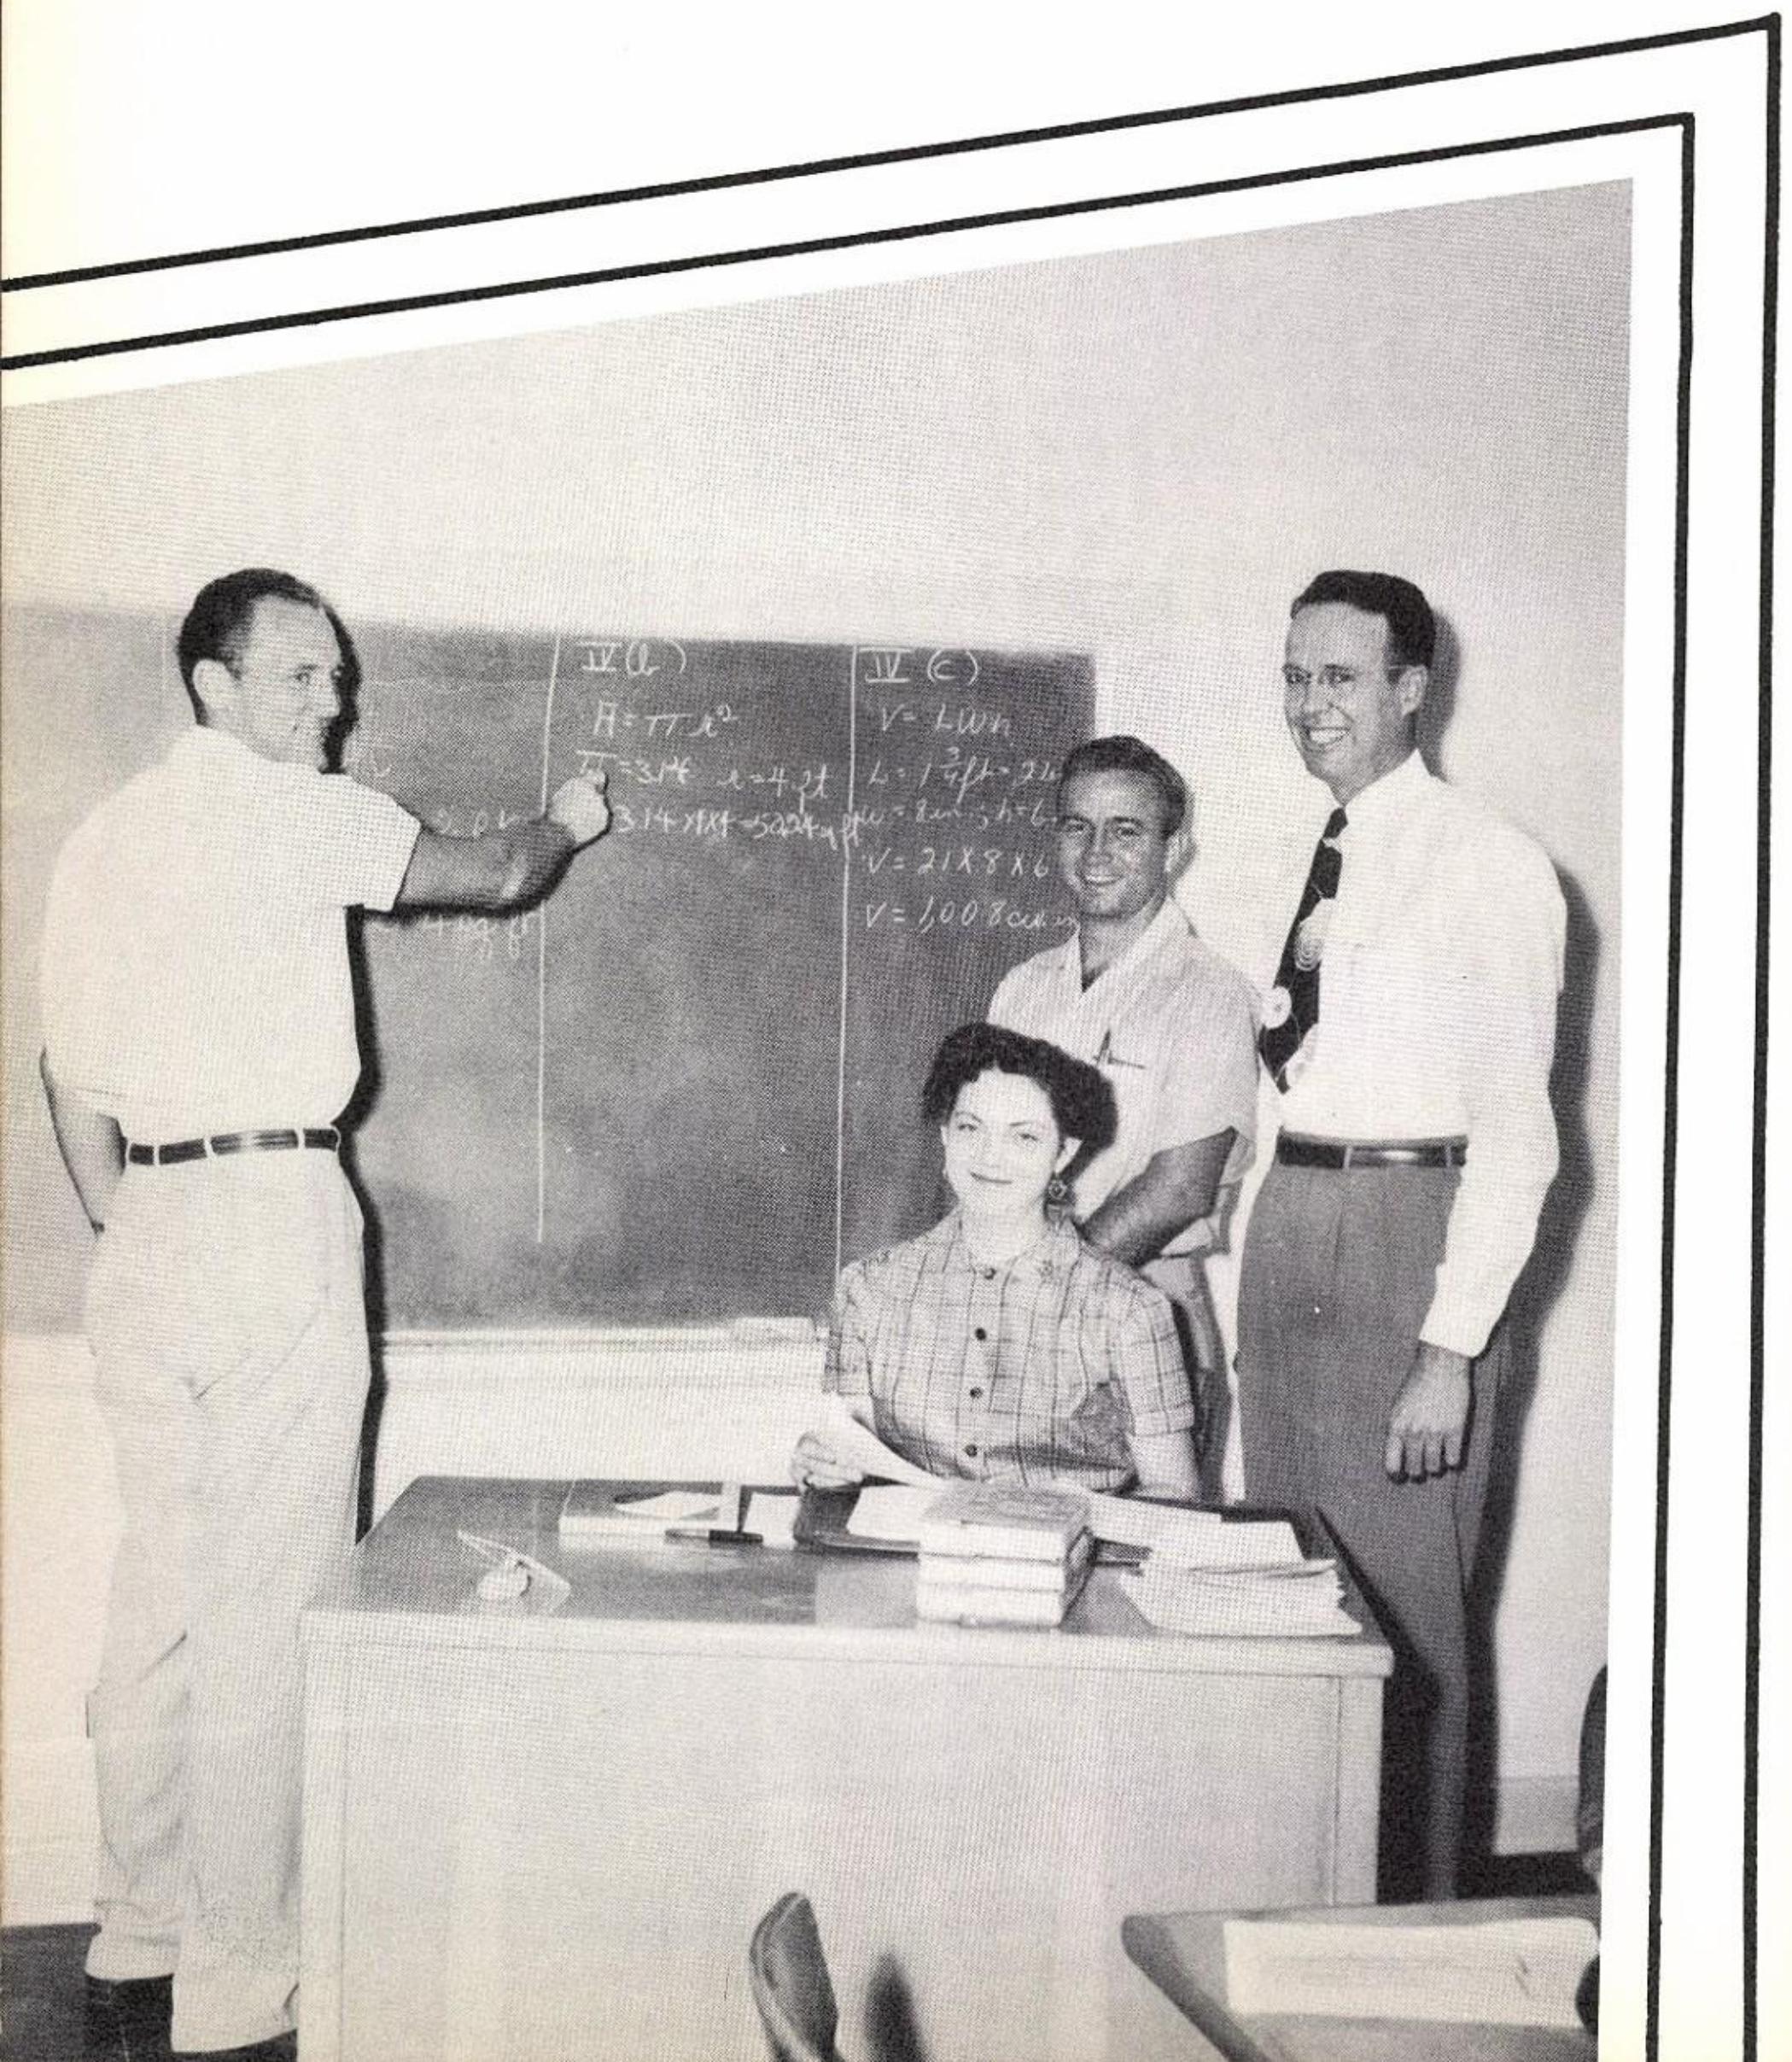
The Tivy High School Faculty is always ready with a helping hand when needed. Their work includes not only teaching but also many other extra curricular activities such as census taking, in-service education, and sponsoring band and pep squad trips. They are members of the Parent Teachers Association and the Texas State Teachers Association. On the following pages we give you a keyhole view of our faculty and their many accomplishments.

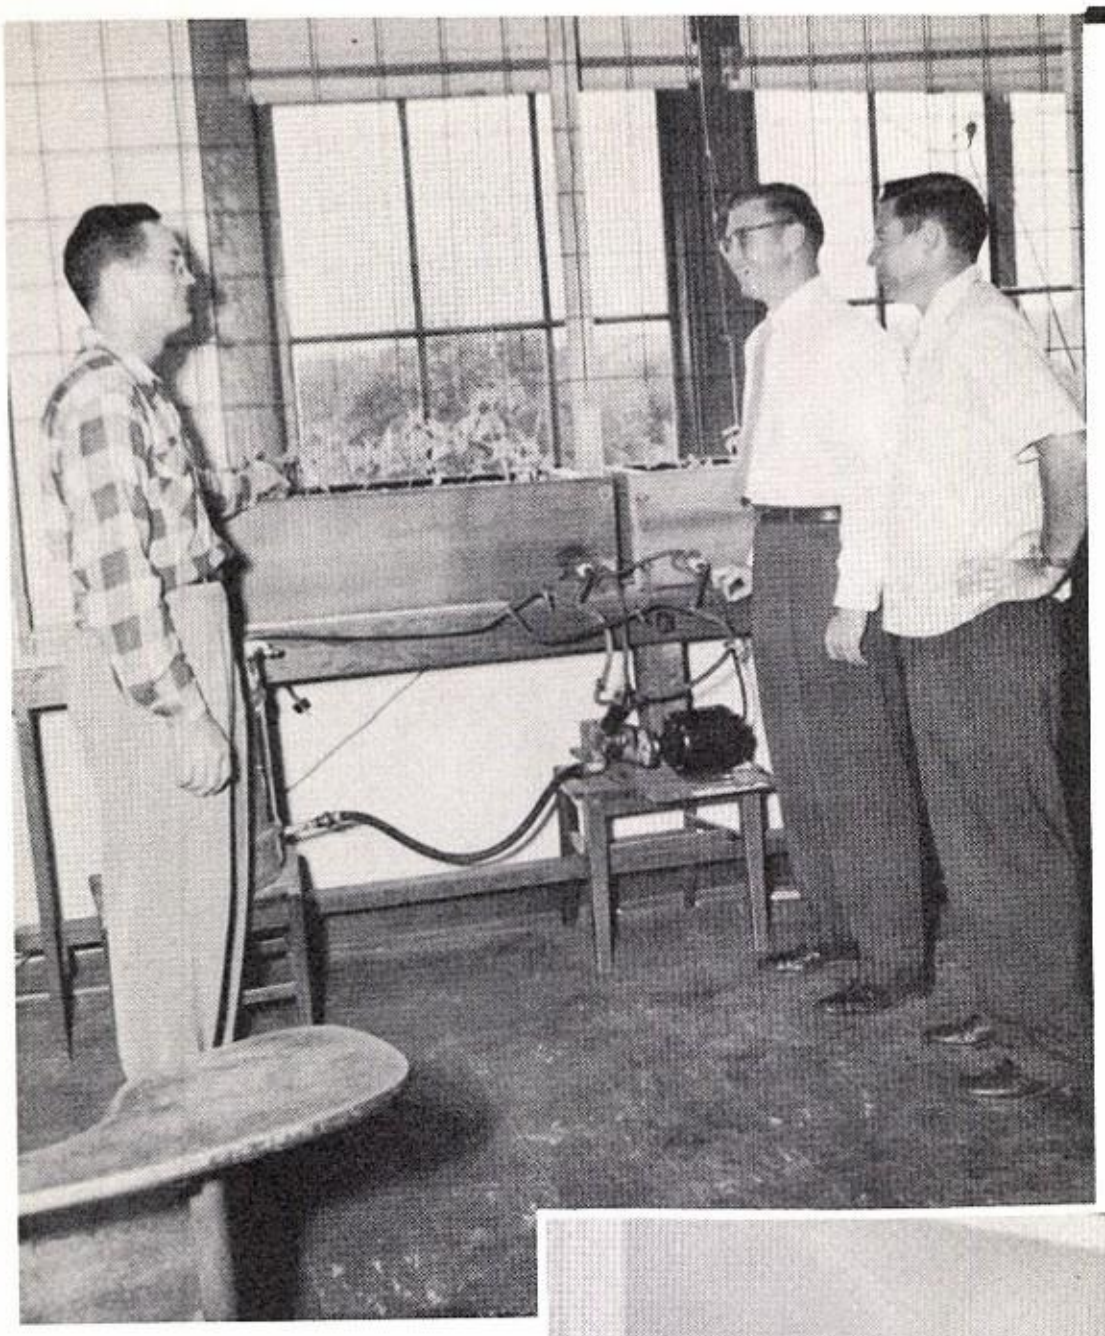
The Language Arts Department worked out a course of study this year which will be used throughout the school system; it will be a great aid in preparing students for college. From left, we find Mrs. Zelma Hardy, teacher of Junior and Senior English; Mrs. Gloria Richards, who teaches both English and Spanish classes; Mrs. Mary B. Wilson, the Sophomore and Freshman English teacher; Mrs. Helen Atkinson, journalism teacher and sponsor of the school newspaper, the Tivy Tatler, and the yearbook, the Antler; and Mrs. Elizabeth Furman, who instructs Freshmen and Sophomore English. Tivy is proud of the Language Arts teachers because of their ability and be cause of their interest in the students.



Mrs. Lorene Swayze, world history teacher, points out to Mrs. Jessie Wilson, American history and civics teacher, and Mr. Robert Holden, sociology teacher, the particular section on the mural that her classes have been studying the past week. Tivy's well-organized social studies department provides the students with a thorough study of these subjects.

Tivy is very proud of the teachers who are always striving to better our mathematics department. They lead us through the field of tangents, triangles, equations, and proofs. They are (left to right) Mr. John Wagner, trigonometry and algebra; Miss Virginia Cooper, general math; Mr. Louis Burton, algebra; and Mr. W. C. Akin, plane geometry.





Mr. Calvin Hibler, chemistry, explains his experiment of growing plants chemically as Mr. Alfred Peters, biology, and Mr. Herman Billnitzer, general science, look on and offer suggestions.

These teachers help Tivy students to become familiar with the fields of science. Through laboratory experiments, they help students to explore the realm of the unknown.

FACULTY

The anticipation of the new gymnasium adds incentive to the work of these physical education teachers. Miss Georgia Griffith teaches the girls and sponsors the Antlerettes. Mr. Fred Jacob (right) coaches track and assists Mr. Foster Miller, head coach, in football.

Mr. D. A. Mills, distributive education teacher, looks on while Mr. Earl Cochrane, mechanical drawing teacher, and Mr. Clifton Mackey, right, shop teacher, make a prop to be used in the band and Antlerette half-time show.

The vocational department of Tivy is most helpful to the students in preparing them for occupations immediately after graduation.

Miss Verginia Henniger and Mr. Preston Chambliss, Tivy's commercial teachers, cut out test stencils. Miss Henniger teaches typing and shorthand. Students taking these courses are taught important shortcuts that can be readily applied in the business world. Mr. Chambliss, besides being a coach, teaches typing and bookkeeping.

Looking over the props for an assembly program are the fine arts teachers. Mrs. Rachel Luna, left, who teaches speech classes and directs the Junior and Senior plays, has also coached many dramatic class students who have won honors in interscholastic contests. Mr. John Armstrong's long and hard work with his band students has produced a musical organization that has won top honors in many concert and marching contests. Mrs. Lavene Bennett, director of the Tivy Chorus, has created for the people of Kerrville, vocal contributions that have thrilled them during numerous choral programs throughout the year.

FACULTY

Mr. Bill Oliver and Mr. Foy Page, agriculture teachers, and Mrs. Nelwyn Moore and Miss Virginia Surber, home economics teachers, enjoy a tete-a-tete around the Christmas tree in the Home Economics Cottage. Mrs. Moore and Miss Surber divide their time between homemaking classes and F. H. A., the organization that they sponsor. The Ag teachers are constantly kept busy helping their boys prepare for the stock shows and the numerous contests they enter.

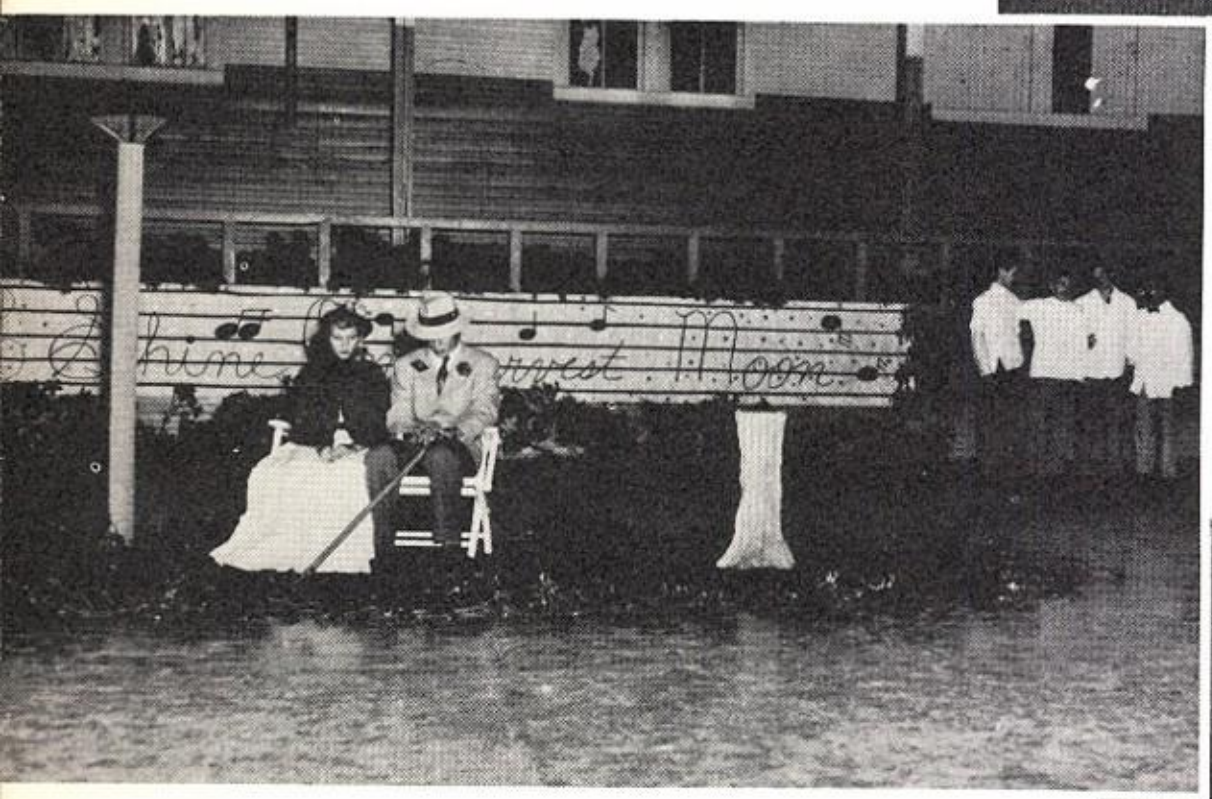
QUITE A PAIR!--As a part of the annual Western Week which is sponsored by the Tatler Staff, each class elects a king and queen nominee. The Junior Class nominees this year were Nancy Gary and R. J. Henderson. The last few years a Junior girl has been Queen of Western Week, and this year was no exception.

PIP, PIP, OLD CHAP!--It was a terrific task choosing the cast for the Junior Play, "Pride and Prejudice," but the try-outs resulted in a good selection. In return for their efforts, these people gained real enjoyment from their long, hard practices.



DEARIE, DO YOU REMEMBER WHEN..? One of the successes of the year was the Junior Dance. It will be easily remembered by the beautiful decorations which effectively carried the theme, "Shine on Harvest Moon." The floor show was a spotlight of the song "Dearie" where Audrey Sublett and Buddie Snow impersonated an old couple thinking over their courtin' days.

WORKIN' HARD?--The Juniors of '54 have proved that co-operation yields success. Here's just a glimpse of how they make work into fun.

MUCH FUN

QUIET, GENIUSES AT WORK! Along with all the fun and pleasure, the Junior Class has its times of seriousness. That means studying! No doubt each Junior will remember those research compositions for history and English.

TEA AND CRUMPETS! The Junior Class broke all records with their play, "Pride and Prejudice," January 28 and 29. With thoughts of the play song, "Ya'll Come," running through their minds, the cast entertained a full house both nights.

OH, LOOKEE! Christmas holidays wouldn't have been complete unless some of the girls would have gotten together for a "hen-party." That night was filled with the "oh's and ah's" of girls exchanging gifts and sharing fun.

JUNIOR AGGIES-Tivy's agriculture department is really proud of the Junior boys who participated in such activities. Each one has contributed his part in winning honors for the club. A few of the Junior ag. boys are (left to right) Scott Evans, R. J. Henderson, Bill Davis, Ross Caddell, and Norman Forehand.

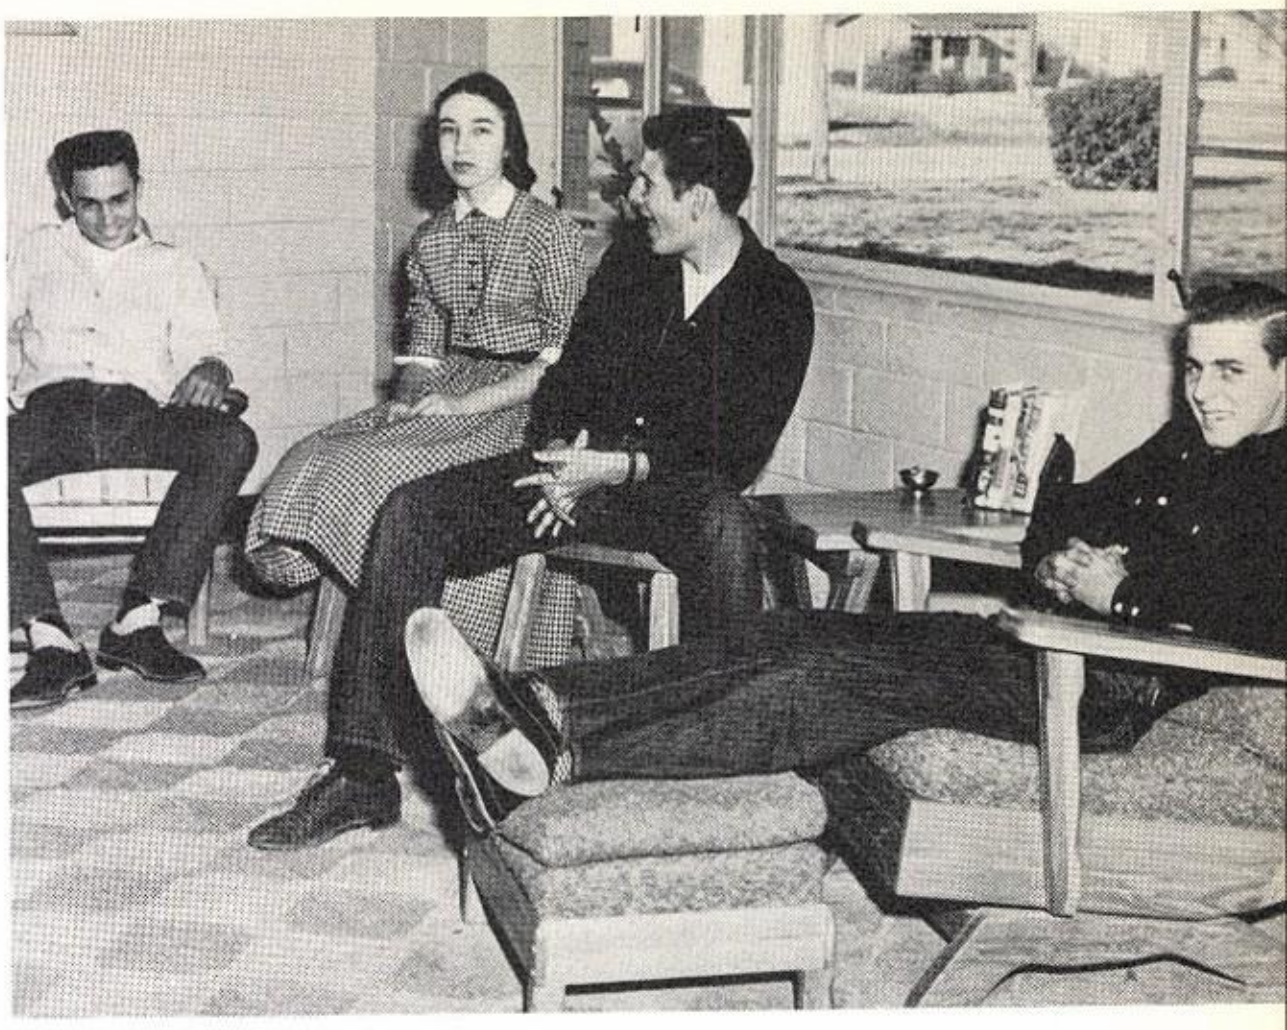
WHAT'S BREWING-The Sophomore Class officers and committee chairmen listen as Judy Ryan, (standing) decorating committee chairman, describes the details of the class dance. The officers and chairmen are (left to right) Ida Eakin, Gerald Robinson, Gerry Michael, Harriet Holton, and Kinnan Golemon.

SO WELL

POSTER PAINTERS-The Sophomore Clas had as its one big event of the year, a dance. The advertising committee played an important part in the success of the dance with their posters and slogans. The committee consisted of (seated left to right) Paul Medina, Jimmy Simmonds, Kyle Wright, Lois Eakin, and Gerry Michael. Standing are Gay Zander, Bill Womack, Lois Simler, Nancy Heimann, Virginia Wagner, Mae Kay VanHoozer, and Janine Kaiser.

PAPER HANGERS-These Sophs really turned out to make their dance a big success. They had that cafeteria fairly buzzing while they decorated for it.



TOP SOPHS-Kyle Wright (seated left) had a champion entry in the medium wool lamb division in the Fort Worth Fat Stock Show and reserve champion in the Suffolk Ram division in San Antonio. Nancy Carrier won first place with her editorial at the Texas High School Press Association contest in Denton. Kinnan Golemon (third from left) placed third in slide rule at regional literary meet. Jimmy Simmond's (right) steer placed third at the Kerrville Fat Stock Show. He also had a lamb that placed fourth in the San Antonio Fat Stock Show.

CITIZENS DELUXE

During the citizenship campaign sponsored by the Student Council, these representatives of Miss Mary Virginia Surber's homeroom had an interesting panel discussion on the care of physical property. OH, GREAT!--A familiar scene of Tivy is that of Freshmen students sitting on the steps in front of Junior High at noon.

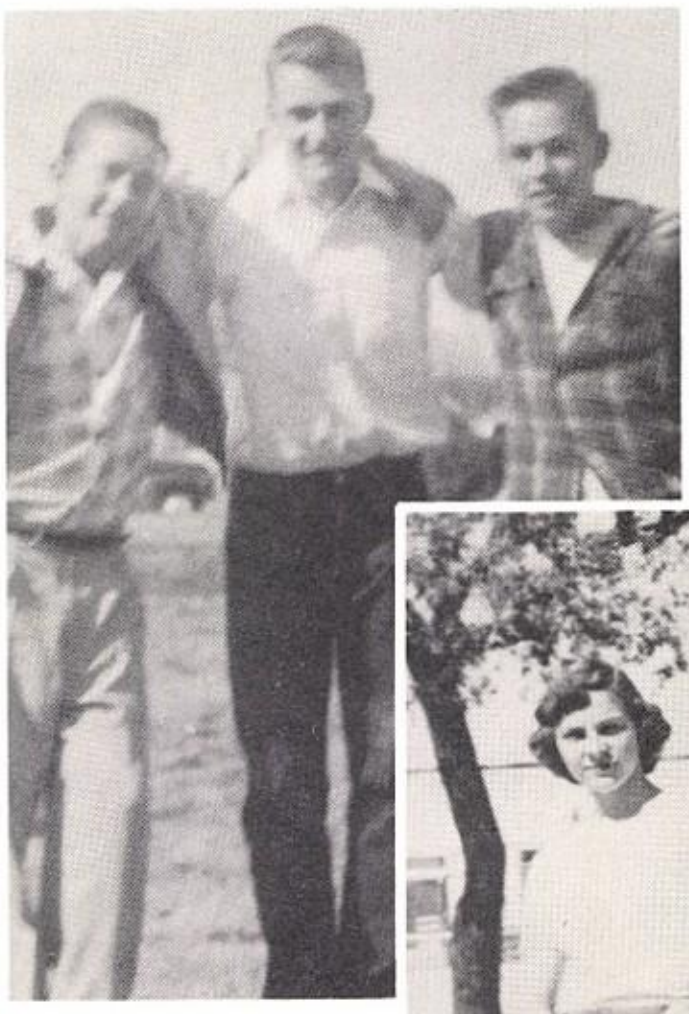
CUTTIN' UP!--Oh, what fun these Freshmen had on that Saturday afternoon get-together!

HEN PARTY-----Outside of school the "Frosh" girls have frequent parties where they cut up and share the latest gossip. They are doing an excellent job of posing for the "Birdie."

FROSH '54-This is the way the Tivy cafeteria looked before the largest event in the Freshmany ears, the dance they sponsored after the Tivy-Harlandale basketball game. Adding to the success of the affair were the many colorful balloons and the decorations of green and white crepe paper.

FROLICKING FRESHMEN



THREE MUSKETEERS-Three of Tivy's Freshmen boys enjoy the noon hour. They are (left to right) Wilbur McDaniel, Lynn Wildman, and Brad Rhoden.

THE FLIPPANT FIVE-Carolyn Klein, Jody Linn, Barbara Claussen, Donnie Couch, and Rachel Coe are several popular freshman girls. They are pictured while waiting for the bell to ring.

VIVA LA MEXICO! David Baker, Joe Bob Wilson, Cathie Klein, Sidney Kunz, and Betty Wildman were selected to represent Tivy at the Southern Association of Student Councils in El Paso. They pause at the door of a curio shop in Juarez, Mexico, where they attended a bull fight.

HOLD THAT LINE! As the bell rings, Linn Roe and Harriet Holton, head of the hall guides, right, enforce the Student Council stairway rules.

THE WATCH BIRD IS WATCHING YOU! One of the outstanding activities of the Student Council this year was Good Citizenship Week, "Operation Etiquette." During this time signs were posted to help remind the students of their weak points. David Baker shows the advantages of those signs to the other Student Council officers John McDaniel, parliamentarian; Cathie Klein, secretary; Bubba Barlow, fire marshall; Joe Bob Wilson, treasurer; Buddy Snow, vice-president, Michael Hopping, reporter, is not pictured.

OF TIVY

NO MORE FISHING DAYS-A new absentee system affecting Tivy was put into use by the Student Council. The reason for this new policy was that the absences are detrimental to a student body at any time, and especially to the student who is away from school. However, since the State allots funds to schools on the basis of the average daily attendance of students, each absence from school cuts those funds. Here David Baker, president; Mrs. Florence Weiss, sponsor; and Buddy Snow, vice-president, look at a student's absentee record.

THE BIG DIG-The members of the Senior High Student Council watch as Mr. Jimmy Holton, president of the Kerrville Independent School District School Board, turns the soil of the official ground-breaking ceremony for the new gym. They are (left to right) Gerry Michael, Linn Roe, Lois Simler, Kathryn Baker, Harriet Holton, Jerry Girard, Michael Hopping, Cathie Klein, David Baker, Sidney Kunz, Mr. E. L. Wildman, John McDaniels, Betty Wildman, Kinnan Golemon, Joe Fitch, Bubba Barlow, and Buddy Snow.

HAVE FUN! The entire Student Council traveled to Laredo in the school bus for a Texas Association of Student Council Convention.

EAGER

The purpose of the National Honor Society o Tivy High is to create an enthusiam for scholar- ship, to stimulate a desire to render service, to promote worthy leadership, and to set an example for the other students. Membership is based on service, leadership, character, and scholastic average. Candidates must have spent at least one year in Tivy, be either Juniors or Seniors, and have a B+ average. Sophomores are chosen as probationary members. If they live up to the re- quirements of the society, they may be chosen to full membership in their Junior or Senior year.

CUT UPS-Shown are a group of National Honor Society members at a Christmas party which took place after the formal initiation. Pictured from left to right are Bunny Gregg, Jay McElroy, Bobby Whelan, B. Ray Traweek, Donald Bell, Kitty Vann, and Jimmy Swayze.

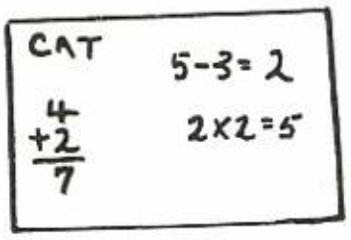
SERENADING BRAINS. . Gathered around the piano from left to right are Phil Furman, Jimmy Swayze, David Baker, Lucy Nance, and Elma Real; Zoe Stewart is seated. These students are practicing for the annual singing of Valentines.

INCREASING THE FOLD-The N. H. S members are giving the initiates som preliminary instructions before the for mal initiation. Standing from left t right are Audrey Sublett, Marlyn Bea zley, Flo Weiss, Elma Real, Bunny Gregg, Bobby Whelan, John McDaniel Jimmy Swayze, Kitty Vann, Davi Cowan, Harvey Hogue, Cathie Klein and Barbara Whitworth. Sitting from left to right are Zoe Stewart, Joyc Taylor, Carolyn Midkiff, Shirley Reed Lina Rankhorn, Mary Medina, and Alic Carmichael.

EINSTEINS

Membership in the society consists of 15% of the Senior class and 10% of the Junior class. Approximately four weeks before their graduation, a few seniors were chosen as honorary members. The name of the chapter is Kappa Sigma Chi. The organization meets about twice a month with a faculty sponsor, Mrs. Gloria Richards. The N. H. S. has made the singing of Valentines an annual project. Not only do members find this fun, but it also helps in their funds. This year the organization gave a scholarship for college to two senior N. H. S. members.

COURTSHIP THROUGH THE AGES-A program on courtship was given by the N. H. S. near Valentine's Day. Courting was characterized from the time of the cave men up to the present time.



PICK UP THE PIECES. . . A group of members are shown cleaning up after the formal initiation. Pictured from left to right are Flo Weiss, John McDaniel, David Cowan, Zoe Stewart, Kitty Vann, Donald Bell, and Elma Real.

IGH HOPES. . . Mrs. Gloria Richards, N. H. S. ponsor, is shown explaining the 1954 Naonal Honor Society Scholarship to (left to right) ail Harden, secretary; Joe Wilson, president; etty Wildman, vice-president; Jay McElroy, eporter; and Donald Bell, treasurer. Only vo Tivy students will receive this scholarship.

THE G

PICTURE PLANNING-Before pictures are taken for the yearbook, layouts are drawn and the editor, Betty Wildman, and the sponsor, Mrs. Helen Atkinson, discuss plans for pictures with the photographer, Mr. "Fuzzy" Swayze.

PENNYWISE-The business manager, Joe Bo
Wilson, and assistant business manager, Fl
Weiss, are really busy throughout the yea
keeping the budget in order.

CHECKIN' UP-In order to meet the deadlines with more accurately planned pages, the staff has a chart by which each member's work is planned. As Jay McElroy, sports editor, and Kinnan Golemon, sophomore editor, indicate, each member checks off the things he has accomplished.

PREPARING FOR A BIG YEAR-At the beginning of the year the staff met at Betty Wildman's house to discuss plans generally. It was at this meeting that the theme was decided on.

The Antler is an essential part of Tivy in that it records each year that passes as a picture memory book. The staff consists of twelve members and a sponsor. Members are exemplary students chosen for their outstanding writing ability and artistic talents. The first Antler was published in 1920. Since 1930 it has had a standardized cover appearing in different colors with the traditional deerhead and title "Antler." The photography is done by a local photographer and a few snaps are used which are taken by students.

EAT HISTORIANS

POINT POINTERS-Perhaps one of the most important jobs of the Antler Staff is the counting of points for the Who's Who section. Class editors, Gail Harden (center) Lucy Nance (right), and Kay Mosty (left) double check the final figures to make sure no mistakes were made in the first calculations.

SERVICE WITH A SMILE-Carolyn Scott, assistant, spent only one semester on the Antler Staff before moving away. Typing is of such importance that it is almost necessary that everyone on the staff knows how to type.

ARTISTS IN THE MAKING

As art editor, Charlotte Mares (center) has a very important job. It is the art which usually carries the theme throughout the annual. Joyce Taylor (right) and Mary Ann Stovall (left) also have artistic ability and help with this work.

The staff is required to meet four deadlines a year in order to get cuts in the price of their yearbook and delivery before the end of school. The Antler is financed by yearbook sales to both students and business establishments. To help with the expensive budget the staff has special projects to raise money. The Antler has consistently won top honors in state and national contests.

TOP NOTCH-Another Antler Staff privilege is that of presenting school favorites at the Christmas Formal. This year's choices were truly tops!

EYES AN

PUTTIN' THEIR HEADS TOGETHER-A week before the Tatler is ready for distribution, the staff has a conference. This editorial staff is (front row, left to right) Sandra Floyd, Mildred Stephens, Jane Dyer, and Shirley Reed, (back row, left to right) Buddy Snow, George Hardy, and Thomas Furman. From the many ideas submitted by students, they decide what stories to use in the next edition. Jane Dyer (pictured) was elected State Secretary of the THSPA.

STORY OF A NEWSPAPER-In 1924 the first Tatler was published, and up to 1951 articles were printed in the local newspapers.

This is the third year of publishing a five column newspaper. There are thirty members on the Tatler, and each is required to have at least a half year of journalism. It is the responsibility of these students to put out a paper approximately every two weeks. A week before publication the staff has a conference and decides what stories to run. Four days preceding the day of the publication there is a final copy deadline with the exception of headline stories.

Each edition of the Tatler costs $50 plus cuts which are additional. A specific time is set each year to sell subscriptions for the Tatler. Both students and ex-students of Tivy subscribe. The Tatler Staff does not limit its sales to the school, but also sends papers to many other schools.

SUBSCRIPTION TACTICS-To help with their budget, the Tatler sponsored a Mr. and Miss Hush Contest. Cathie Klein (left) awards Donald Bell, Mr. Hush, a certificate for a date with Virginia Wagner, while Betty Gates (right) gives Sandra Ross, Miss Hush, a certificate entitling her a date with Curtis Covert.

LOCAL BUSINESSES SUPPORT THE NEWS-Audrey Sublett (center), business manager, and Mike Hopping (left), assistant, keep the wires hot phoning for ads which help finance the Tatler. Sandra Floyd also finds the phone a handy invention for gathering information for her stories.

PREPARING FOR A BIG STORY-A sound source for good news stories is interviewing. Betty Gates (left) uses this method to get the facts for a story about Shirley Reed, editor who won a top honor for her writing ability in a contest sponsored by the Texas High School Press Association in Denton. Nancy Carrier (not pictured) won first place for editorial writing.

D EARS OF TIVY

HOWDY PARTNERS!-Tatler Western Week has become an annual affair around Tivy. The purpose of the gala tradition is to raise money. The 1954 Western King and Queen were Nancy Gary and Tommy Pollard (in wagon) who won by penny votes. In the past only a queen has been elected, but this year a king was also crowned. Nominees were (left to right) Ed Walker, Sandra Ross, Carolyn Scott, Jimmy Simmonds, Jody Linn, and R. J. Henderson.

FINISHED PRODUCT-Tatler distribution is not only to the Tivy students. Papers are also sent to ex-students and other schools. With the help of Mrs. Helen Atkinson, adviser, Betty Blackwell (center) and Doris Nance prepare the newspapers for sending.

EADY FOR THE PUBLISHER - is a hard, tedious task to type nd mark all the copy for the ublisher, but it must be done nd typists, (left to right) Cathie lein, Diana Hampson, and Mil-red Stephens (standing), face ne necessary job with a smile.

LINING THINGS UP-Make-up of the newspaper just means getting things lined up and attractively arranged. Leif Luglan, Lee Ann Claussen, James Builta, and Eugene Wait (left to right), share hands in this work.

TATLER AT THE PRESS--After all deadlines are met, the Tatler then goes to press. This is where the students actually have a chance to see how a newspaper office is run. Shirley Reed, editor, Thomas Furman, news editor and Jan Dyer, assistant editor, (left to right) see how a linotype machine is run.

ALWAYS

WITH A SONG IN THE AIR-The combined chorus presented a Christmas program for the enjoyment of the school and community.

CHIEFS OF STAFF-Discussing plans for the all-state chorus are the officers and representatives. Left to right are Bubba Barlow, vice-president; Kennith Hogue, president; Jane Dyer, reporter; Shirley Reed, secretary-treasurer; Nancy Gary, social committee; Ronald Cordell, all-state representative; Darroll Shelton, social committee; and Sandra Harden, Don Ottinger, Charles Gerloff, representatives.

The Senior Chorus has long been an impor tant part of Tivy. This year the organizatio boasts its largest membership. Because ever member has a love for music and a strong de sire to learn to appreciate all types, this or ganization contributes much to the progres of Tivy. Through the hard work produced b the members and their director, Mrs. Laven Bennett, honor and recognition have bee brought to Tivy.

SIX OF A KIND-Tivy is well represented by the sextette at school and civic activities. Beverly Schmidt, Irene Allison, Barbara Kuhlmann, Zoe Stewart, Nancy Heimann, and Sandra Harden sing as Mrs. Bennett plays.

MUSIC

CAUGHT AT WORK-One of the main projects of the band is selling magazines. Much time and hard work is involved in making the subscription drive a success. Band members sell subscriptions and later are rewarded in prizes for their efforts. The band makes a profit from each subscription. The money is used for new music, instruments and other necessary equipment. Mr. John Armstrong, band director, and Donnie Ottinger, general magazine manager, are making last minute checks to see that the final magazine report is in order before mailing.

A BUNCH OF SMILES-The music library in the band hall rates with the largest schools. Much money is spent to keep the library up-to-date in music for contest, sight-reading, and half time shows. Beverly Luther (left), filing new music, and Kay Franklin (right) checking the card file, are two girls who spend one period a day keeping the library in smooth running order. Flo Weiss, point system secretary, is showing Randall Leatherman, vice-president, his points. The point system is a method by which students receive their sweaters or other rewards.

THE BAND PLAYED ON-Since in the past years the band has been increasing in size and reputation, a new band hall was built. In November of 1953 the band proudly moved into a new building equipped with practice, instrument, and uniform storage rooms, director's office, music library, and rehearsal hall. The largest band Tivy has ever had is composed of 77 members. The majorettes are (LEFT TO RIGHT) B. Gregg, C. Ramsey, I. Fisher; (SEATED: LEFT TO RIGHT) B. Dowd, D. Grayson, J. DeMasters, J. Carolyn Maxwell, president, and Lina Rankhorn, secretary, are completing the other angel while Betty Wildman, vice-president, finishes up a wing.

CARE FOR A COKE?--The Antlerettes have made it an annual money-making project to make candy and sell cold drinks at the basketball games. Each girl must volunteer for this project.

THE TEAM

Vim, vigor, and vitality could well express the enthusiasm exerted by this organization. The members of the Antlerettes consist of girls from the ninth through the twelfth grades and must have a good scholastic average upon entering. The organization began in 1934. Since that time many changes have been made, but the standards and principles remain the same. The present uniforms which are straight royal blue skirts, gold jackets trimmed in blue and blue and white oxfords were adopted several years ago. There are sixty-six members including the three majorettes, three flagbearers, and six cheerleaders. The majorettes are voted on by the members of the organization according not only to the way they perform the required skills, but also by the leadership ability and their scholastic average. The cheerleaders are juniors and seniors and must be in the organization a year before trying out. Anterlettes' awards are based on a point system which includes the use of merits and demerits. At the end of the year the awards are given to members who have earned the required number of points. The seniors receive sweaters and the juniors receive medals for all the hard work they have put forth in earning these awards. Pictured above from left to right are: C. Klein, G. Forehand, B. "TIVY FIGHT NEVER DIES!"

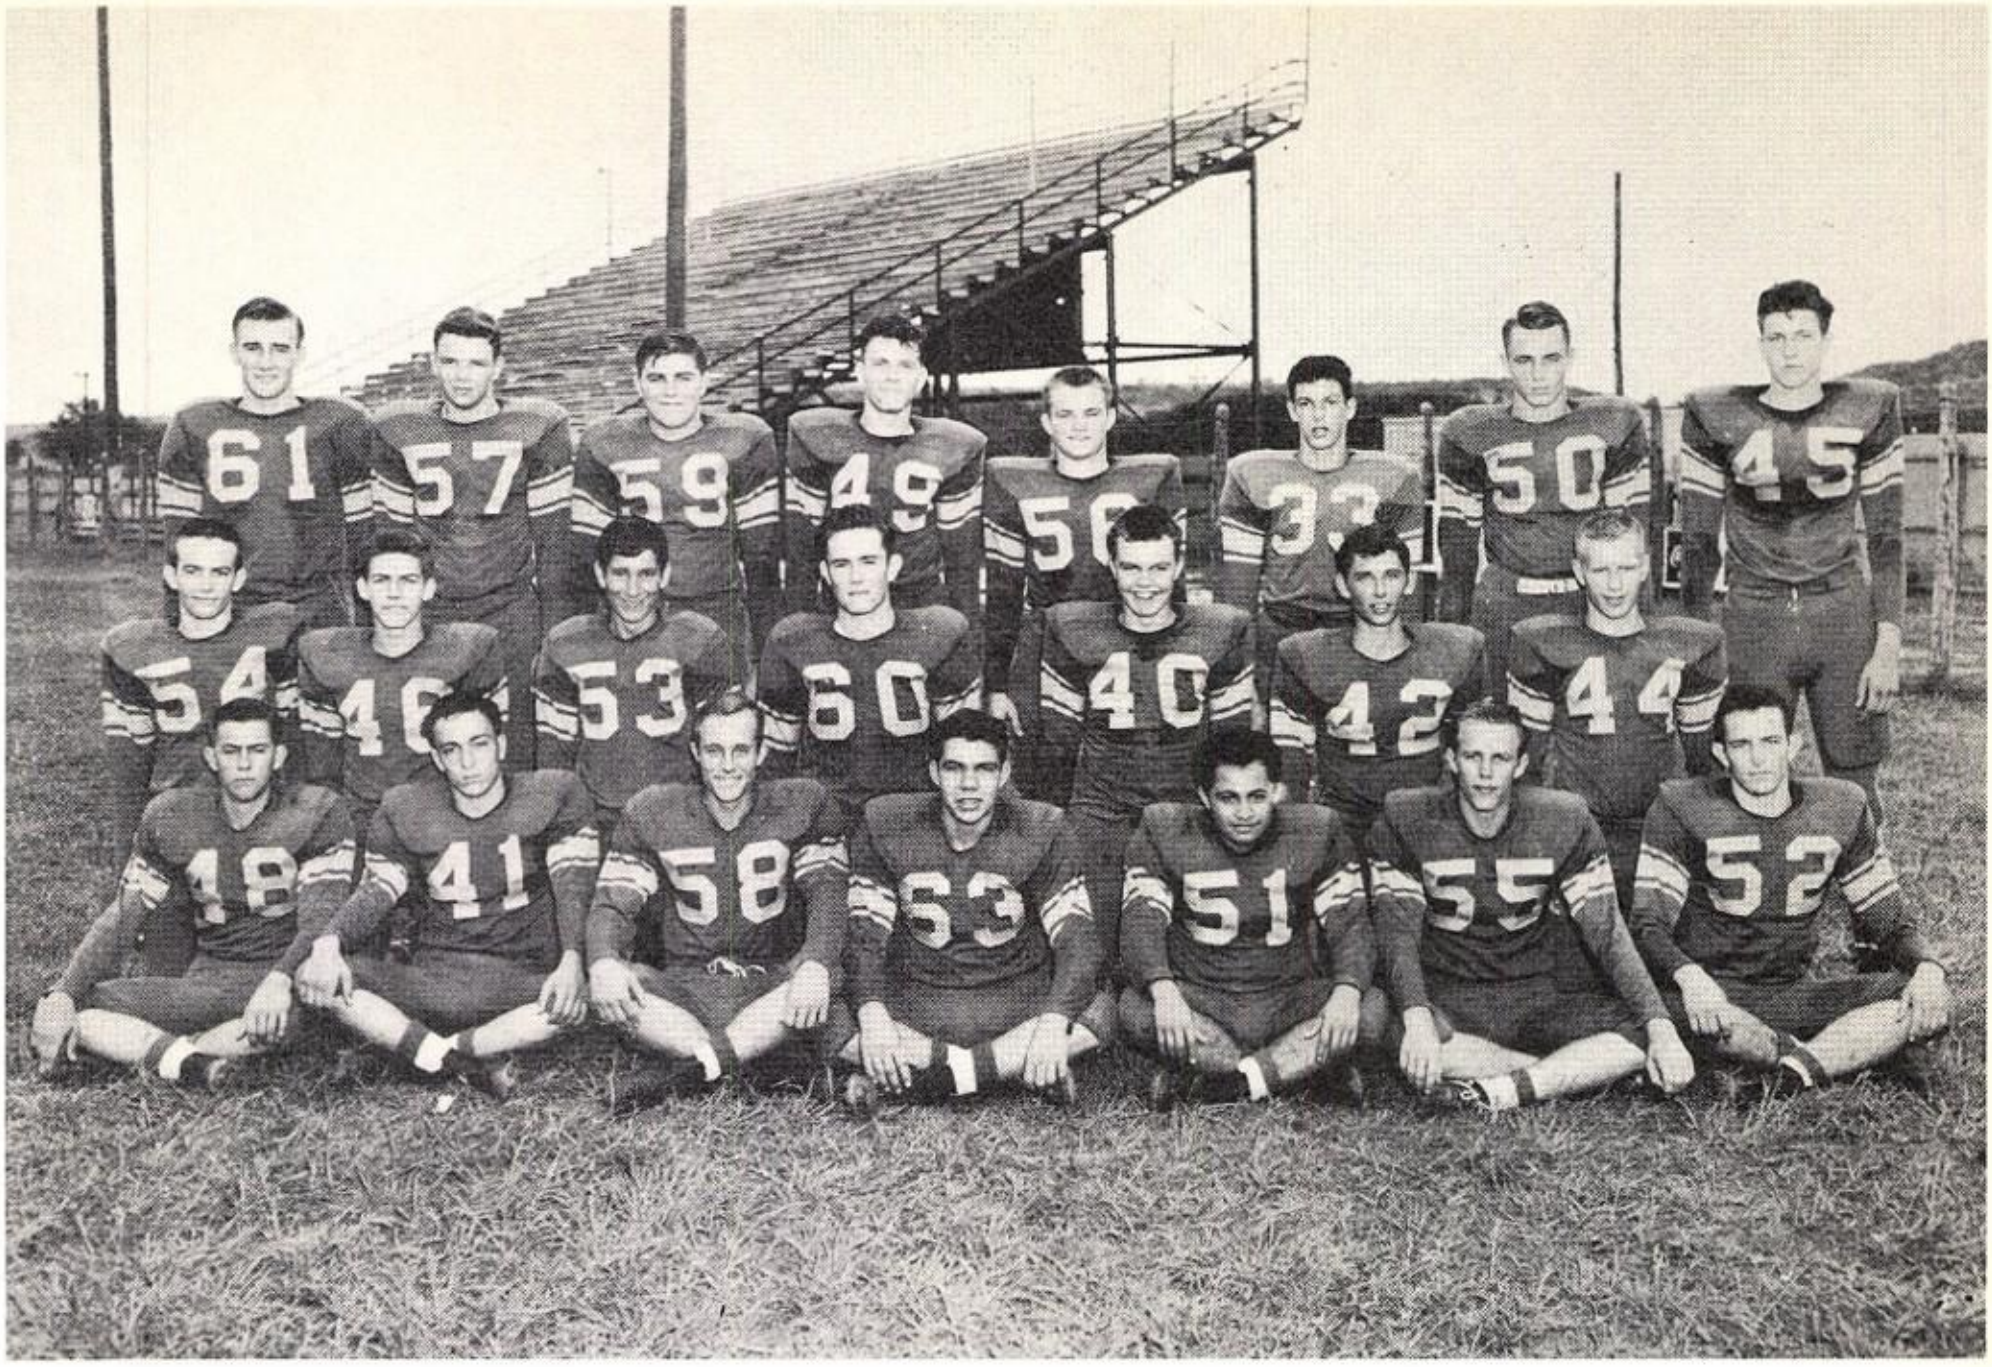
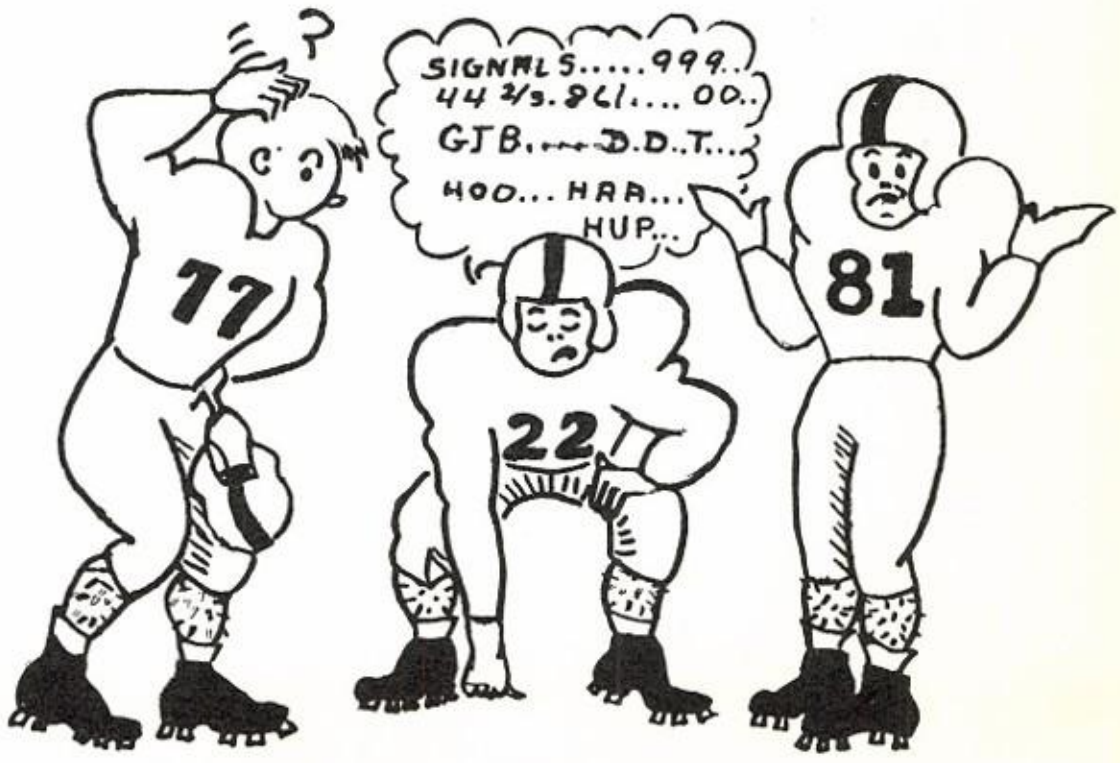
Statistics fail to show the true progress of the 1953 Antlers. They fail to show the hard work of the football team as it prepared for a season. They fail to show the tough breaks that resulted from inexperience and injuries. They also fail to show the tremendous spirit that was always present when it was most needed. Last, but certainly not least, they fail to show the excellent leadership and support that was given by the coaches.

The coaches are shown above as they explain a certain play by first using blackboard illustrations. Mr. Foster Miller (left) served double duty as head coach and line coach. Mr. Fred Jacobs was the backfield coach. Both coaches have well earned the sincere respect of all the student body.



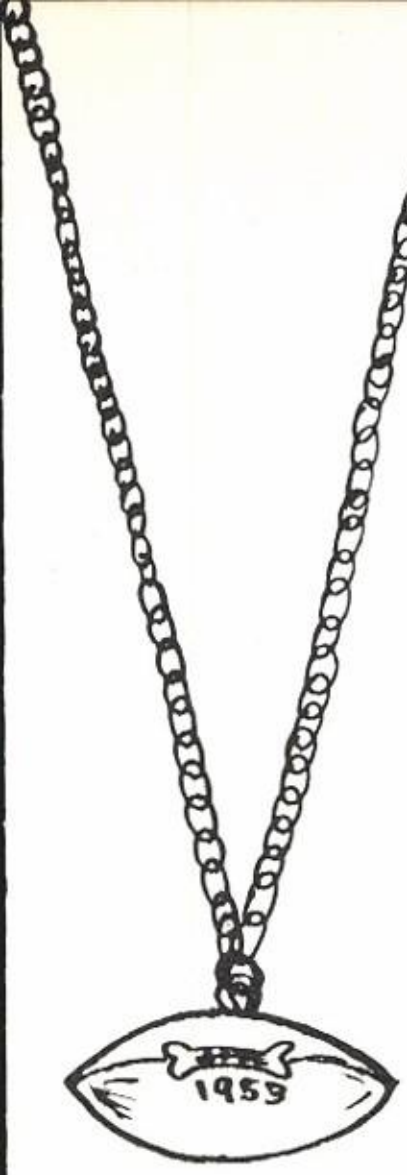
THE 1953 ANTLERS

The team managers, Louis Liesmann (left) and B. Ray Traweek, are shown as they prepare for the 1953 season. They followed the team through the season, from game to game, and city to city. Their able assistance was a great asset to the team.



THE ANTLERS' SELECTION

That pretty smile you see is one of the many things that won for Sandra Harden the title of the 1953 Football Sweetheart. She was nominated and elected by the football team. Sandra gave her whole-hearted support to the team not only as a cheerleader but also as just a sincere friend.



The team co-captains for the year of the 1953 Antlers are C. W. Minter, left, and Phil Furman. They were elected by the team on the basis of their team leadership and contributions. They are shown here as they were presented at the Christmas formal.

Tivy had three All-District nominees this year. Bill Jones, left, Donald Bell, and Buddy Snow, right, all received honorable mentions for the All-District team.

Tivy started off the season with a game against McCallum of Austin. The Antlers were on the defense during most of the game. They held the Knights to a score of 33-0. Above is a picture of one of the defensive plays. Snow is shown ushering McCallum's Jimmy Shurtliff out of bounds.

THE 1953 B TEAM

TEAMWORK IN ACTION

Teamwork played a leading part in the success of Tivy's basketball team. It took a while to get started, but with experience, confidence increased as the season progressed. Competition was rigid all around the 7AAA circuit. Tivy's was not a team to be caught napping when the whistles were blown. Good sportsmanship presided during all of Tivy's games. What more could be asked of a squad that represented Tivy so eagerly? Winning all of the games on the schedule couldn't have made the students and faculty more grateful.

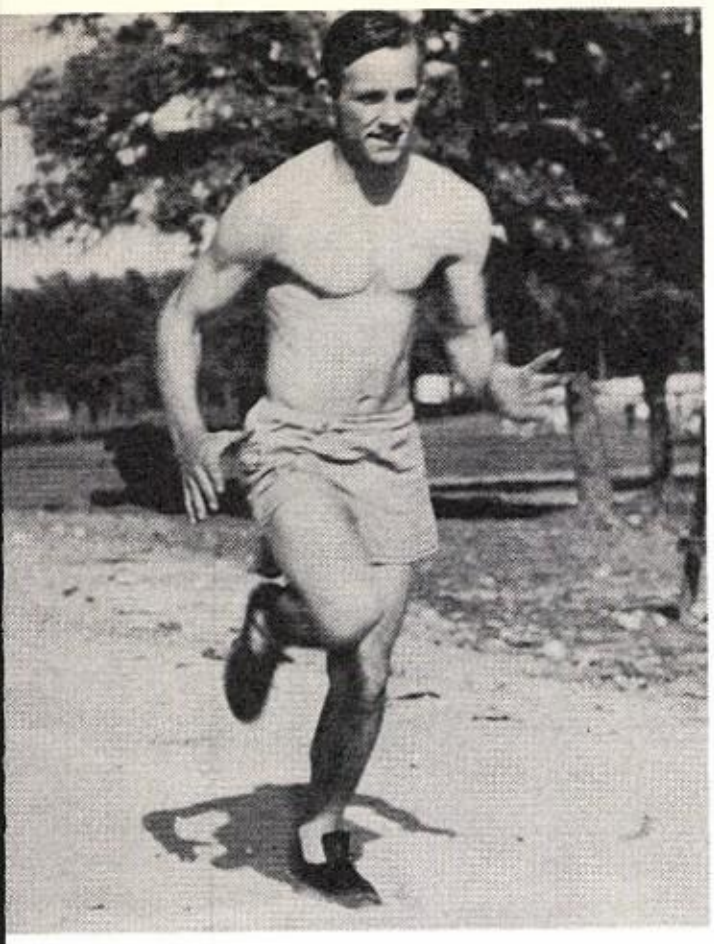
THE 1954 TRACK TEAM

TOP ROW: Schupp, Wildman, Simmonds, Hester, Meyers. MIDDLE ROW: Couch, Lea, Snow, Bell Robinson, Merritt, Jonas. BOTTOM ROW: Wright, Chiles, Thacker, Girard, Schmerber.

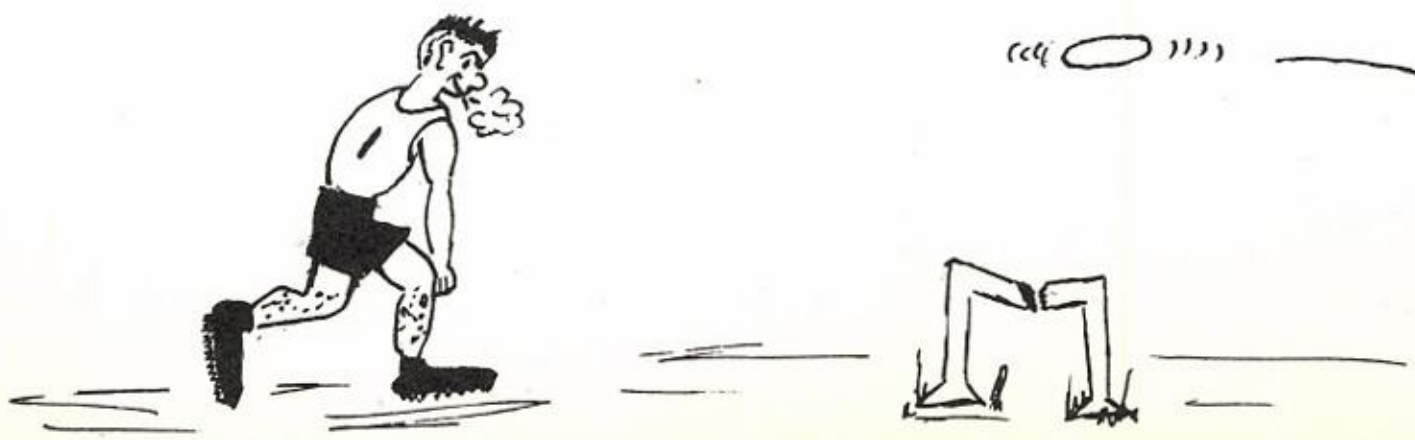


Tivy's outstanding sprinter is Arlen Thacker, who specializes in the 220 yard dash. Arlen was the only Tivyite that qualified at the Border Olympics this year.

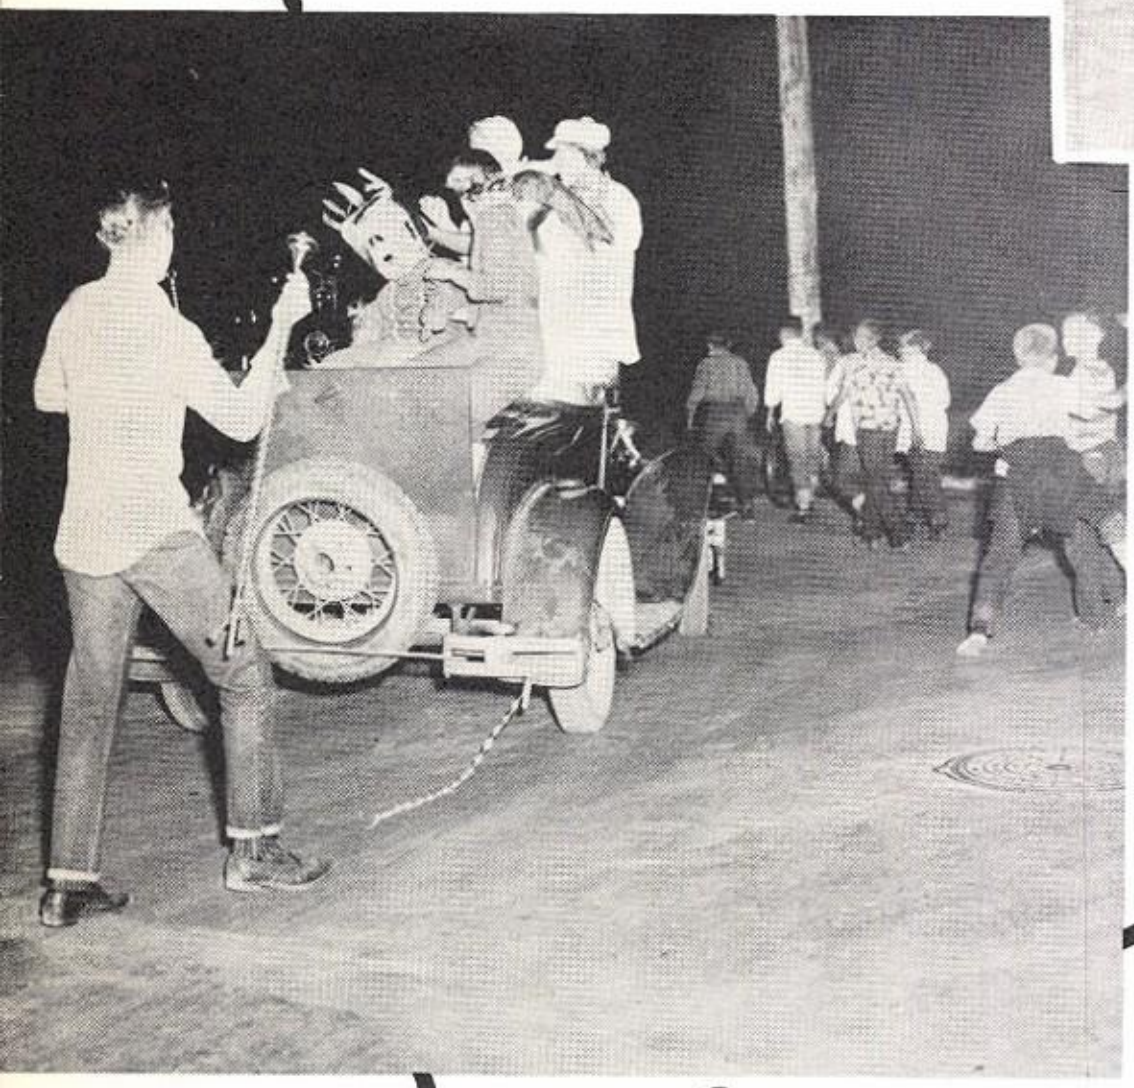
Coach Fred Jacobs gives Donald Bell some pointers with the discus. Donald lettered in his Sophomore year. He is rated as one of the top weight men in our district.

Buddy Snow is one of Tivy's most versatile track men. He is on the mile relay team and also participates in the broad jumping. Here he demonstrates his ability as a hurdler. Buddy has represented Tivy in several meets.

Larry Hester stretches to hand the baton to Joe Schmerber. Both are members of the mile relay team.



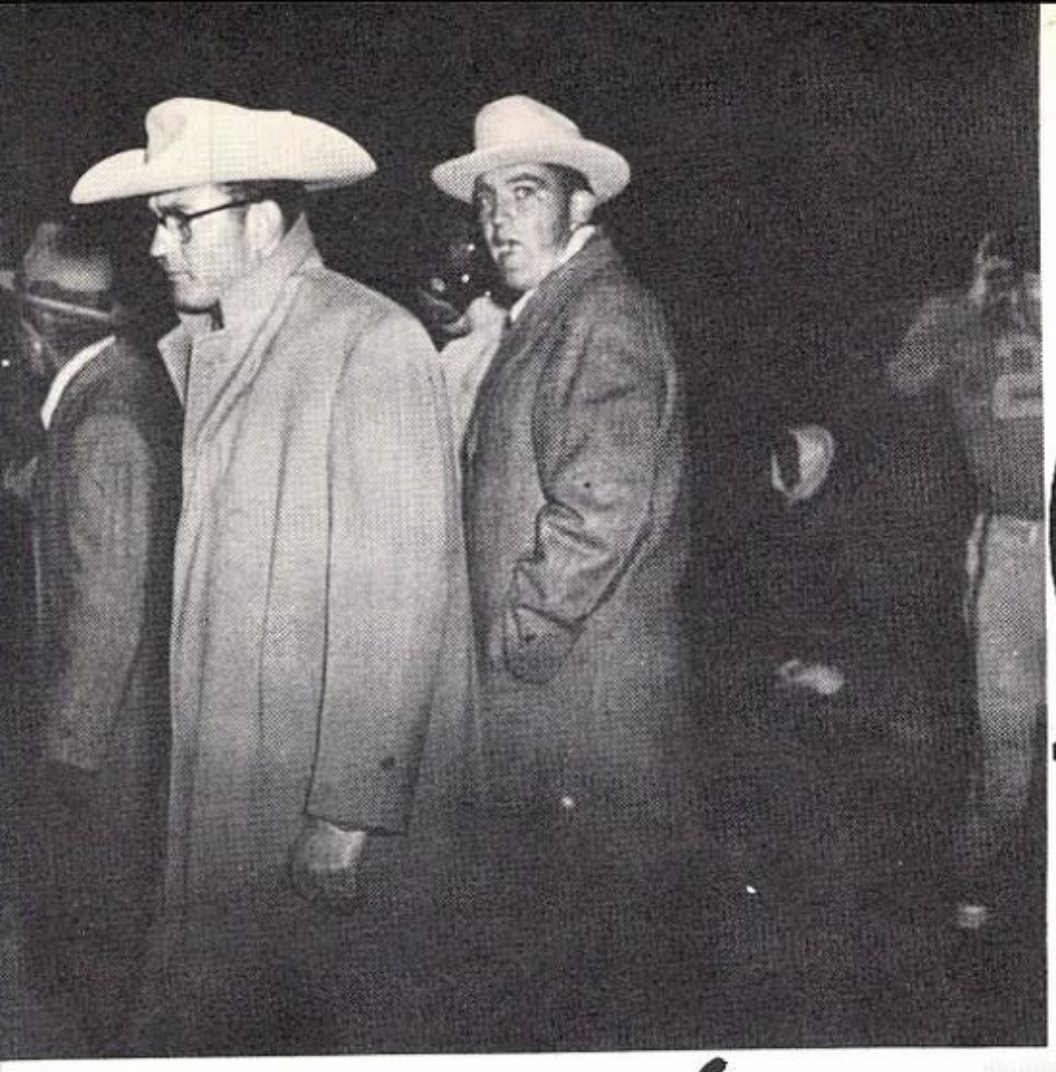
Burn the Indians! While this chant roared up from around the bonfire, the cheerleaders tossed a dummy representing Harlandale into the fire.



An enthusiastic shirt-tail parade was held before the Harlandale game.

TIVY SPIRIT

Here come the Antlers! The cheerleaders ran out with the team as they came on the field before each game while the student section went wild!



The coaches have a tense moment as Tivy gridders begin working their way toward a touchdown.

The Band students do a little practicing and gabbing before class begins in the new, modern band hall.

IN ACTION

The cheerleaders, Pep Squad, and Band sing and play with saddened hearts the Alma Mater at the last downtown pep rally of 1953 before the Edison game.

Each year, on Senior Day, the Class pays homage to Captain Tivy's grave. This is a solemn and sacred ceremony for each Senior.

The Juniors and Seniors played spiritedly and gave the many spectators quite a game. The final score was 61-51 in favor of the Seniors.

The last time that the entire Senior Class is gathered on the front steps.

Tivy Spirit is an intangible object that is possesse by Tivy students alone. It hits the student the firs time he enters the main hall and sees the prou banner, "Tivy Fight Never Dies," displayed abov the show case. It remains in the Tivyite's hear throughout his years at school. He expresses i through fine school work, sportsmanship, an through the deep loyalty he displays always for hi school. The Senior Class will take this precious possession with it. This page is, therefore, ded icated to them, for they know and have shown the true meaning of Tivy Spirit.

STUDENT OF THE YEAR

OUTSTANDING IN EVERY FIELD-Adjectives fail to describe this mild mannered boy. In his every attempt he produces the best of results. According to the teachers, Joe Bob Wilson is a "fine, quick-thinking student;" to his fellow classmates he is a "wonderful fellow," just tops in anyone's estimation.

He can be serious while studying or working on a worthy project or he can be full of fun--as he is most of the time. When anyone spies that mischievous grin of his they know that uproarious laughter is around the corner for everyone! He is a perfect gentleman to the girls, an ideal friend to the boys.

His most important accomplishment was that of being National Honor Society president. He has a reputation to uphold in this job which is hard for a Senior who is busy with activities as well as studies. He came through with flying colors, making high grades in all his subjects.

Joe Bob had another outstanding office, treasurer of the Student Council. He contributed time and efforts to the Antler Staff when he took on the tremendous task of Business Manager.

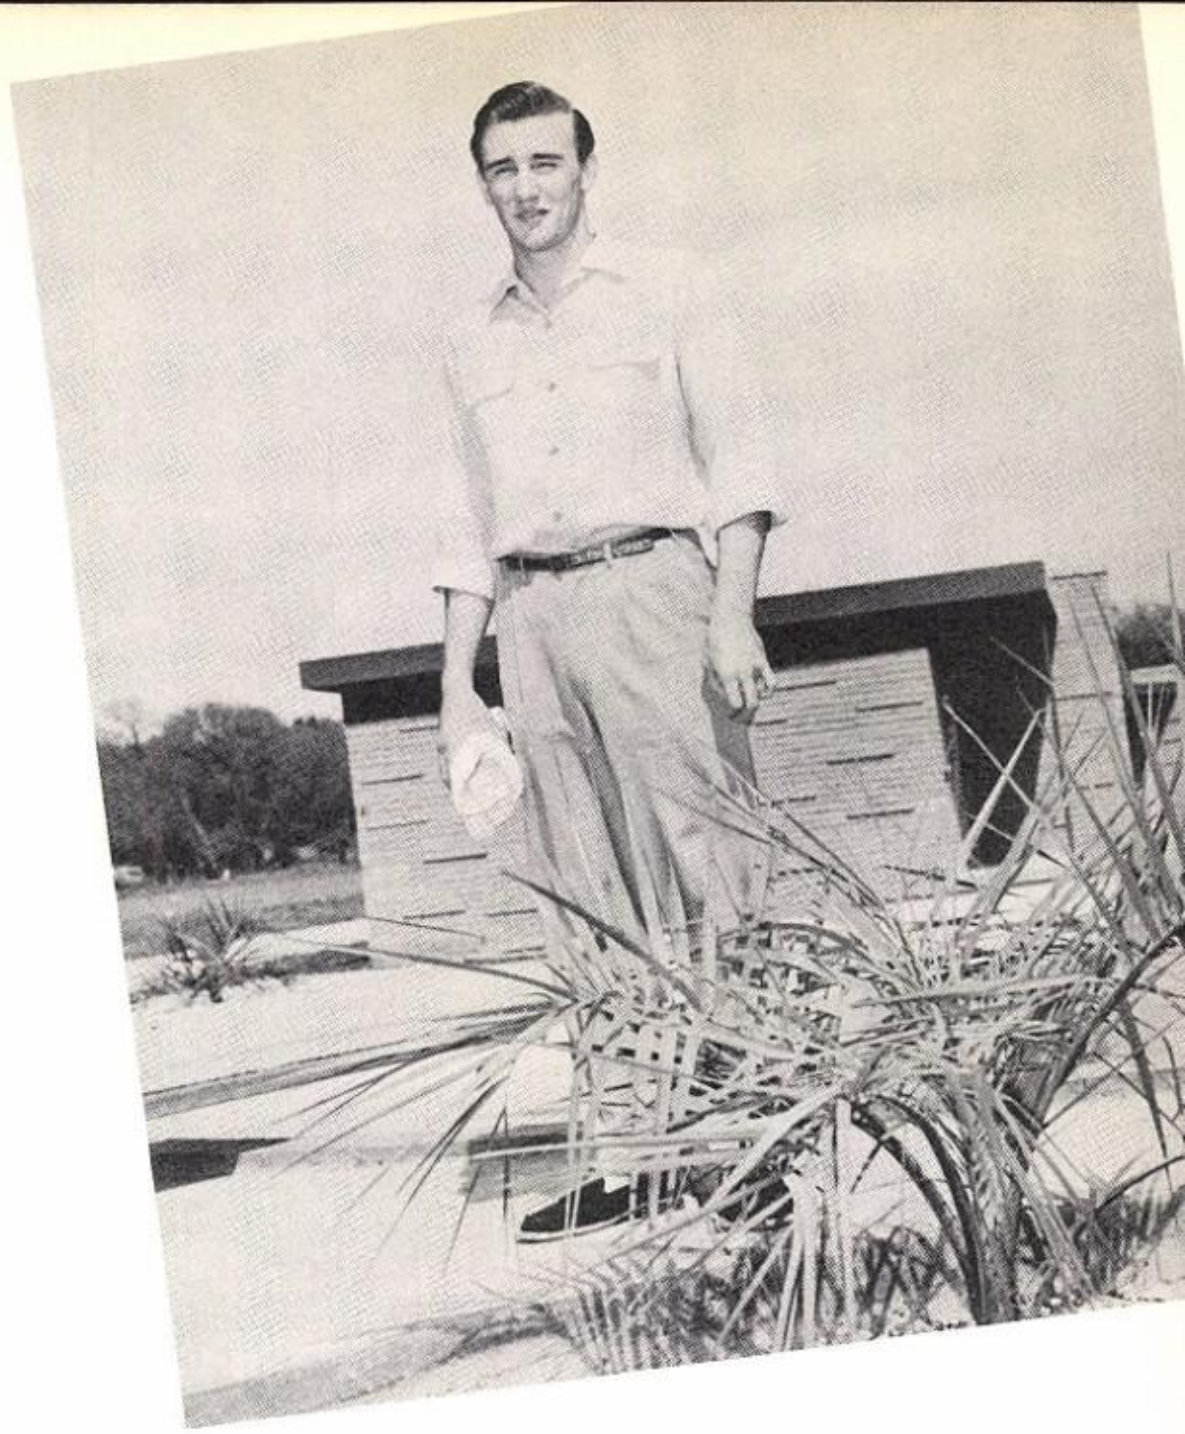
"Whip," as his teammates call him, was elected Captain of the 1954 Basketball Team because of his excellent playing and his coolheadedness. Besides all these activities Joe Bob found time to give a polished performance in the Senior Play "Little Women." To top all this, the entire student body chose Joe Bob as the Most Versatile Boy of Tivy High. It is easy to see why this truly great young man received the distinction of

STUDENT OF THE YEAR!

HYBRIDIZING HORTICULTURIST - One of Tivy's highest honors, that of Student Council president, was bestowed on David Baker, who was really capable of the responsibility. With him as their leader, the Student Council had an exceptionally outstanding year. David's sense of humor, especially his extensive use of large words in portraying it, has made him a high-ranking personality and everyone's friend. Scholastic averages and qualities in leadership achieved for him membership in the National Honor Society. Playing basketball is also one of his favorite activities in which he lettered. David likes his job in a florist shop, and this work will probably be his hobby for days to come.

WHO'S WHO

JOVIAL, CAPABLE, AND ADMIRABLE - There is surely no one in Tivy who has excelled more in the literary field than Marlyn Beazley. Her originality and spontaneity of thought have taken her to State in both ready writing and shorthand. This cute, friendly redhead has an outstanding musical talent. She plays the French horn in the band, the piano, and the organ for her church. As a very intelligent student of the Senior Class, she gained admission into the National Honor Society. Even though Marlyn is a very busy person, she finds time to participate in F. H. A. activities.



HEART AS SOUND AS A BELL-Wherever Donald Bell goes, he carries with him a spark that seems to brighten the lives of everyone. It was this trait that won for him "Most Popular Boy" from the entire school. As Senior Class president and National Honor Society treasurer, he has proved to be a born leader. Donald is especially outstanding in football, basketball, and track. The summer months find him an ardent lover of swimming.

WHO'S WHO

PRETTY AS A PICTURE-Unlike most girls that have the ability of a seamstress, Jane Dyer is exceptional. At a moment's notice she can design and whip up a new outfit. Makes no difference if it is the Christmas Formal or a weekend picnic, she gets it made! In the Junior Play, "Pride and Prejudice," she acted the role of Lydia. By the way, she even made her own costumes! The entire student body was very proud of their Tatler assistant editor when she was elected State Secretary of the Texas State Press Association. Jane also holds the office of Secretary in the choral club.

GOLE-MAN-GO! - This popular Sophomore, Kinnan Golemon, is known around Tivy for his many accomplishments as well as his interest in "crazy bop." His unlimited activities cover football, basketball, Student Council, and Antler Staff. Kinnan was chosen president and Most Versatile of the Sophomore Class. He also went to Regional in slide rule. In fact, he is really a "gone guy."

AROUND TIVY

ONCE UPON A TIME - Gail Harden's many achievements are highlighted by her very sweet disposition and friendliness. Her outstanding ability in dramatics was revealed in the Senior Play this year. F. H. A. president, National Honor Society secretary, and senior editor of the Antler Staff are some of the top offices she held. Everyone knows, too, that as a cheerleader, Gail was constantly backing the teams. She was highly privileged to be chosen Sweetheart of the F. F. A. boys.

SWEET AS A LAMB - Cathie Klein, through her magnificent ability to get along with people and make innumerable friendships, is the "Most Popular Girl" in Tivy. Throughout the football season she exhibited her skill of baton twirling as Head Majorette of the Antlerettes. As secretary of the Student Council, Cathie gave every source of her energies in her school government. Furthermore, she was in the cast of the Senior Play. Really a swell gal!

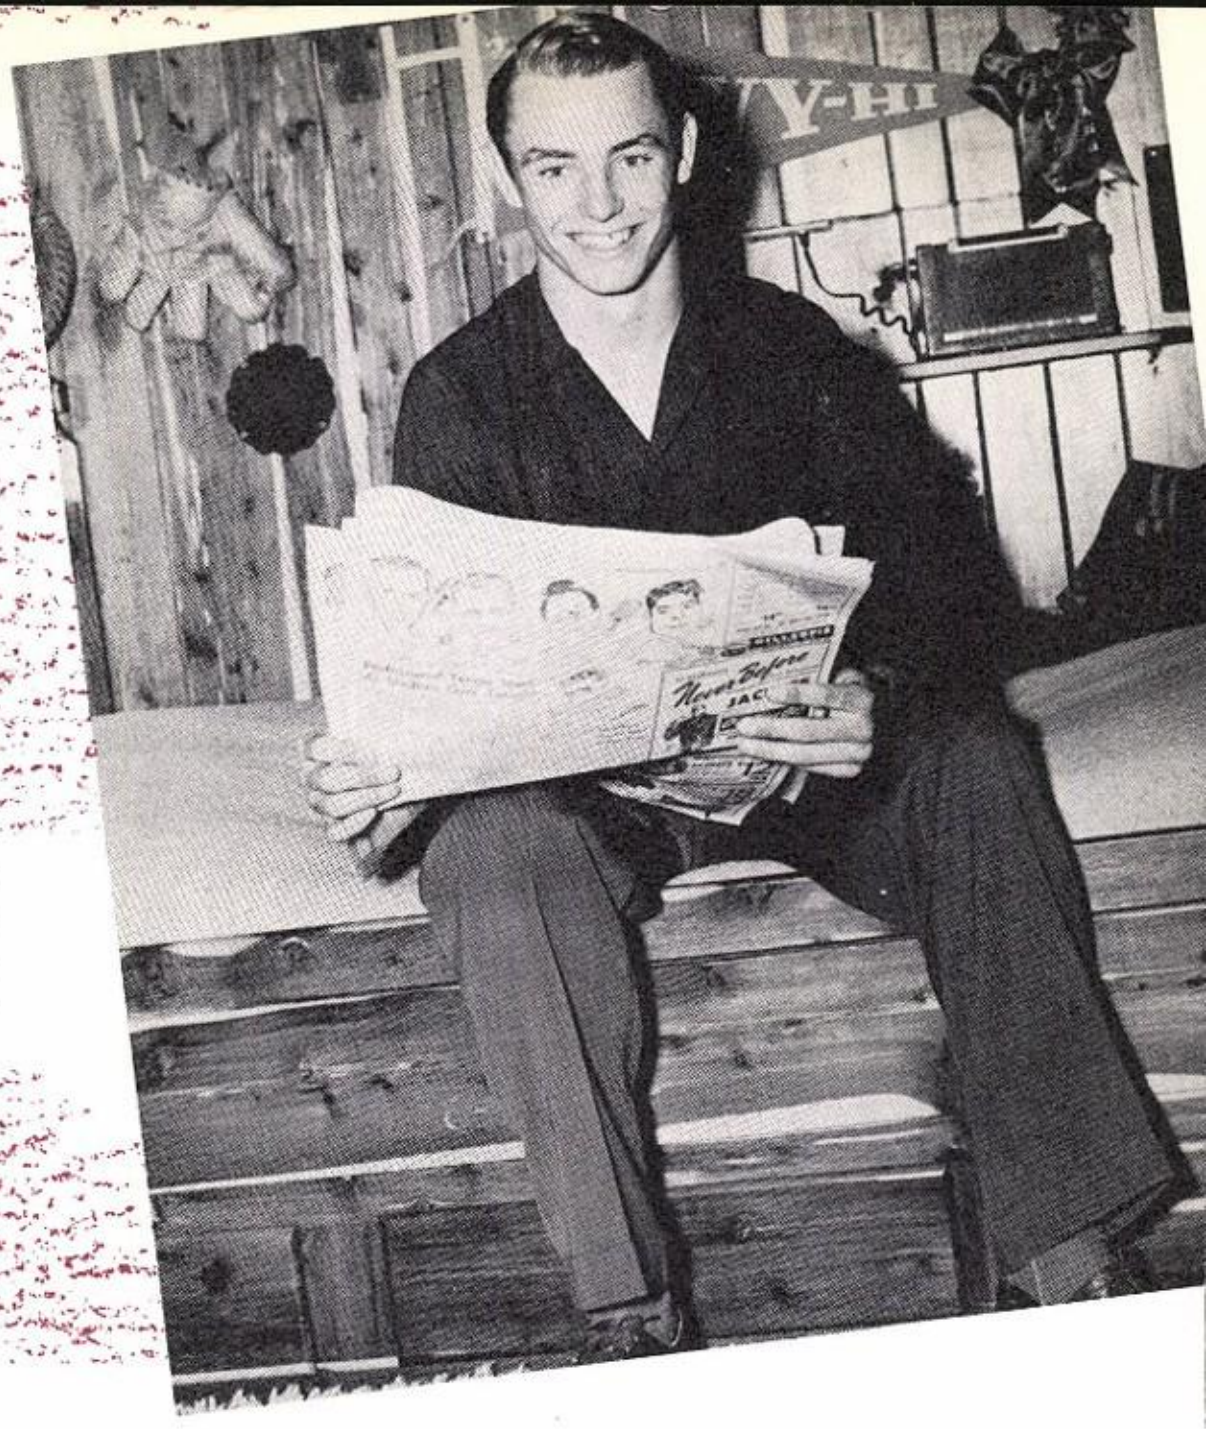
WHO'S WHO

SMILIN' GUY - An outstanding student of the Junior Class is John McDaniel. His witty sense of humor outlines his qualities as a real Tivy student. This year he was chosen as a member of the National Honor Society and Student Council parliamentarian. In portraying the role of Mr. Darcy in the Junior Play, "Pride and Prejudice," John proved his acting ability. In the fall he spends most of his time practicing football which he says he likes very much. To pass away his spare time, John likes to tinker around with cars. The inside of this beautiful new Lincoln seems to fascinate his inquisitive eyes.

ABUNDANT ARTISTRY-Charlotte Mares, sophisticated, golden-locked, young lady, contributed most to Tivy with her talent in art which made her an essential part of many school organizations and activities including the Antler. Moreover, she revealed to everyone her Tivy Spirit as Head Cheerleader. She was an active member of the F. H. A. and performed superbly as "Jo" in the Senior Play, "Little Women." Charlotte, as an all-round leader of Tivy, deserves her place in Who's Who.

AROUND TIVY

P.S. I LOVE YOU-Shirley Reed's incalculable sweetness and friendliness will leave a mark on Tivy. She is to be commended on her splendid work in the journalistic field as editor of the Tatler which has proved her undying Tivy Spirit. She is a National Honor Society member, so scholastically speaking she is tops! In the choral club she is secretary-treasurer and the Senior Class elected her treasurer. Shirley was also in the Senior Play. Letter-writing to a certain someone is one of Shirley's favorite pastimes.



VARSITY FAVORITE-Football, basketball, track, or any sport is Buddy Snow's favorite topic. Just name it, and he can really give you the up-to-date statistics! As well as keeping data, Buddy participates and has lettered in football, basketball, and track. His other interests do not fall short either, for he is president of the Junior Class, vice-president of the Student Council, and sports editor of the Tatler Staff. From all stand points, Buddy is an all-round fellow.

WHO'S WHO

JEST A LIL' OLE COWGIRL-Here's a darling little cowgirl that finds time for lots of things beside riding the range. Audrey Sublett is business manager of the Tatler and reporter of the Junior Class. As an Antlerette member she is constantly displaying her never-ending pep and energy by backing the teams. She loves sports and has lettered in volleyball the past two years. This smart lil' gal is also a member of the National Honor Society.

FLAMING PERSONALITY - Personality plus, vibrant red hair, and a splash of freckles give a perfect picture of Flo Weiss. She is assistant business manager of the Antler, point system secretary of the band, and vice-president in F. H. A. Her exceptionally high grades have won her membership in the National Honor Society. Flo has excelled in the dramatics field by winning both District and Regional in declamation. She really mastered an English accent for the Junior Play, "Pride and Prejudice," in which she portrayed the mother, Mrs. Bennett. One might find her during her leisure moments playing with her pets.

AROUND TIVY

REFLECTION OF BEAUTY-Betty Wildman is known throughout the halls of Tivy for her pleasing smile and sweet disposition. Perhaps one of Betty's most treasured honors was being chosen as the "Most Beautiful Girl" in the Senior Class. Her accomplishments during the year were Antler Staff editor, National Honor Society vice-president, Antlerette vice-president, F. H. A. pianist, and member of the Senior Play cast. One of Betty's hobbies is keeping up with the latest fashions.
